Part II – The objectives of this Act (s. 3)

3. Objectives of this Act

- (1) The objectives of this Act shall be—
 - (a) to promote and enhance the contribution of the beekeeping sector to the sustainable development of Tanzania and the conservation and management of her natural resources for the benefit of present and future generations;
 - (b) to enhance national capacity to manage and develop the beekeeping sector and enable the sector to make a contribution to the alleviation of poverty;
 - (c) to ensure that the management and development of beekeeping is devolved to the lowest possible level of Government consistent with maintaining and promoting high standards of quality;
 - (d) to ensure the sustainable existence of honeybees by the creation, maintenance and effective management of bee reserves and apiaries;
 - (e) to improve the quality and quantity of honey, beeswax, and other bee products to ensure the sustainable supply of the same;
 - (f) to improve biodiversity and increase employment and foreign exchange earnings through sustainable bee products-based industrial development and trade.

Part III – Administration (ss. 4-10)

4. Responsibilities of the Minister

The Minister shall be responsible for policy formulation and for ensuring the execution by officials in the Ministry such functions connected with the implementation of this Act.

5. Director responsible for beekeeping

- (1) There shall be a Director responsible for beekeeping matters who shall be an officer in the public service.
- (2) The Director shall be the adviser to the Government on all matters related to the management of beekeeping.
- (3) The Director may, from time to time, as he thinks fit, issue and publish circulars and directives on the implementation of this Act but no such circulars or directives shall purport to alter, amend or depart from the provisions of this Act or any regulations made under this Act or contradict any advice, guidance or directives issued by the Minister under section 4 of this Act.
- (4) Where the Director is required or empowered by this Act to make a determination affecting or likely to affect the rights of any person or the opportunity for any person to undertake any activities, he shall give the person reasons for that determination.

6. Licensing officers, enforcement officers and inspectors

- (1) There shall be appointed by the Director, amongst the officers of the Ministry—
 - (a) the licensing and registration officers who shall exercise powers under Part V;

- (b) the enforcement officers, performing such functions relating to the enforcement of the provisions of this Act or as may be specified by him; and
 - (c) inspectors, who shall perform their functions as provided under this Act or as specified by him.
- (2) Officers under this section shall be answerable to the Director.
 - (3) The Director may, by notice published in the *Gazette*, designate any person to be an authorised officer for the purposes of all or any provisions of this Act.
 - (4) The Director shall, by Order published in the *Gazette*, and subject to such qualifications or exemptions as may be prescribed therein, delegate to such public officers the exercise or performance of any of the functions conferred or imposed on him by this Act.
 - (5) Nothing in this section shall be taken to prevent any local authority from appointing in accordance with the law relating to the appointment of local authority staff, such qualified officers as it considers necessary to enable it to discharge such functions allocated to it by this Act.

7. Information to the public

The Director may, where it is practical to do so, provide information and guidance, by Order or notice to members of the public in connection with the implementation of this Act.

8. Relationship between the Ministry and other authorities

- (1) The Director shall ensure that all local authorities, associations within its area of jurisdiction and other public authorities are consulted and kept informed about the management of beekeeping as provided under this Act.
- (2) Any authorised officer allocated any functions under or in connection with this Act shall have regard to any directives and circulars issued by the Director.
- (3) Where any directive or circular is at variance with an approved local authority management plan applicable to a declared or gazetted local authority bee reserve or other local authority priorities applicable to any beekeeping activity managed by that local authority, the Director and the relevant officers and members of that local authority shall consult each other and use their efforts to reconcile any such variances.
- (4) Where the Director is of the opinion on the basis of information given to him by any officer exercising functions under this Act or otherwise that a local authority with the responsibility to exercise functions in accordance with provisions of this Act, the Policy or any approved and published national criteria and indicators for sustainable beekeeping, or where such national criteria and indicators are not in existence, in accordance with accepted principles of sustainable beekeeping or good administration, then the Director may—
 - (a) serve a notice on that local authority requiring it to take the steps specified in that notice within the time specified therein to rectify and improve its beekeeping management; or
 - (b) serve a notice on that local authority requiring it to show cause, within the time specified therein, as to why the Director should not arrange that such functions of beekeeping management as may be specified should be taken over by another local authority or by the Director for such period of time as may be specified in the notice;
 - (c) in either case referred to in paragraph (a) or (b), upon making a written request to that local authority, appear before such local authority personally or his representative for the purpose of making representations orally; and
 - (d) if in his opinion, the local authority has failed to show cause as required under paragraph (b) above, prepare and submit a report with recommendations to the Minister on the

mismanagement of beekeeping functions by such local authority and what action should be taken thereon.

- (5) Where the Minister after considering the report from the Director referred to in paragraph (d) of subsection (4) is satisfied that, owing to the mismanagement, by any local authority of any of its functions in relation to beekeeping, it is in the public interest that such local authority should cease to exercise all or any management functions in relation to beekeeping, the Minister shall make consultation with the Minister responsible for local authorities in respect of the mismanagement of such beekeeping functions.
- (6) The Minister responsible for local authority after considering the report submitted to him, shall invoke his powers as provided under section 169 of the Local Government (District Authorities) Act ⁵ and section 71 of the Local Government (Urban Authorities) Act ⁶ and direct the Director or other local authority or any person to take over the management functions of such local authority as may be specified.
- (7) The other local authority or the Director shall perform any functions in relation to beekeeping which it or he is directed to manage under the provisions of subsection (5) on behalf of and for the benefit of the people within the jurisdiction of the first local authority whose functions have been taken over and the net profits of management, if any, shall, after deduction of the costs of management and development, be deemed to be part of the revenue of the first local authority, which shall likewise bear any losses incurred.
- (8) For purposes of this section, a local authority shall include a village council.

9. Conflict of interest

- (1) Where any matter concerning beekeeping management in which any officer exercising functions under this Act or any member of his immediate family has an interest allocated to, referred to or otherwise comes to that officer for his advice, assistance or decision that officer shall not exercise any functions under this Act in respect of that matter.
- (2) Where the officer referred to in subsection (1) is the Director, he shall declare his interest to the Minister, and where the officer referred to in subsection (1) is an officer appointed under section 6, shall declare his interest to the Director, the Minister or the Director as the case may be shall appoint another officer to perform functions in respect of that matter.
- (3) A person to whom subsections (1) and (2) apply shall not influence or seek or attempt to influence any officer performing such functions or any other legislation to show any undue favour or preference to him or any member of his immediate family in respect of such matter.

10. Establishment of National Beekeeping Advisory Committee

- (1) There shall be established a National Beekeeping Advisory Committee whose members shall be appointed by the Minister.
- (2) In appointing members of the Committee, the Minister shall take into consideration the following:
 - (a) possession of the necessary expertise, qualifications and interest in all aspects of beekeeping and the marketing of apiary products;
 - (b) ensure a gender balance on the Committee;
 - (c) include on the Committee persons who are not in the public service and at least one from the local authority.

5

[Cap. 287](#)

6

[Cap. 288](#)

- (3) The procedures of the Committee shall be as provided for in the First Schedule to this Act.
- (4) The functions of the Committee shall be to advise the Minister on—
 - (a) matters under the provisions of this Act which are required to be referred to the Committee; and
 - (b) such other matters related to the implementation of this Act or generally on beekeeping as may be referred to the Committee by the Minister or on its own motion.
- (5) The Minister may by Order published in the *Gazette* alter, amend or add anything in the First Schedule to this Act.
- (6) The Minister shall include in a report, to be published annually on performance report of the Ministry—
 - (a) a statement on the number of matters which have been referred to the Committee; and
 - (b) the number of issues which are required to be submitted to the Committee, or which he has disposed of contrary to the advice of the Committee, and the reasons for such action.

Part IV – Bee reserves and zones (ss. 11-26)

11. Powers of the Minister to establish a bee reserve

- (1) The Minister may by Order published in the *Gazette* establish a bee reserve.
- (2) A bee reserve established under subsection (1) may be—
 - (a) a private bee reserve; or
 - (b) a national bee reserve; or
 - (c) a local authority bee reserve; or
 - (d) a village bee reserve.

12. Private bee reserves

- (1) The holder of a right of occupancy may enter into a covenant and any applicant for a right of occupancy may propose that if he is granted a right of occupancy he shall enter into a covenant, to be known as a bee reserve dedication covenant, with the Director to the effect that the land or any part thereof which is subject to the right of occupancy shall not, without the previous consent in writing of the Director be used for other purposes than a bee reserve.
- (2) Obligations and other conditions between the parties to the covenant referred to in subsection (1) shall be set out in the said covenant.
- (3) For purposes of this section, a holder of a right of occupancy may be an individual, a group of individuals holding a right of occupancy under the provisions of the Land Act ⁷ or the Village Land Act ⁸.
- (4) Nothing in this section shall be taken to limit the right of any person, group of persons or a Group to use any land which he or they are occupying lawfully or to apply to the Commissioner of Lands or, as the case may be, to a village council for a right of occupancy or, subject to the terms and

7

conditions thereof, to use an existing right of occupancy or other interest in land for the purposes of the development and use of the land comprised in the right of occupancy or other interest in land for beekeeping activities or to develop, use and manage such land as a private bee reserve.

13. Procedures for declaration of a gazetted bee reserve

- (1) Where the Minister has an intention of establishing a national, private, local authority, village or community bee reserve pursuant to subsection (1) of section 11, he shall cause a notice, to be referred to as a notice of intention, to be—
 - (a) published for the purpose of the proposed declaration of the said area, which shall describe the proposed boundaries of the bee reserve in one or more newspapers circulating in the area of the proposed reserve;
 - (b) exhibited in a conspicuous place in the offices of all local authorities within its area of jurisdiction and nearby the proposed reserve; and
 - (c) given publicity in such a manner as is customary in the area or as to bring it to the attention of all persons living in or in the vicinity of or deriving their livelihood from or using on a regular basis any part of the proposed reserve.
- (2) The notice of intention referred to in subsection (1) shall include—
 - (a) a description of the boundaries of the proposed reserve;
 - (b) a statement of the purposes for which the land is proposed to be declared to be a reserve;
 - (c) a statement of the reasons for the choice of either a national bee reserve or a local authority bee reserve;
 - (d) the period of time, being not less than ninety days within which any person or group of persons or a representative thereof may, either orally or in writing—
 - (i) object to; or
 - (ii) make representations about; or
 - (iii) claim,
any rights based on and arising out of customary law in relation to beekeeping or gathering or use of the produce of bees within the area or any rights based on any other written law within the area of the proposed reserve;
 - (e) the person or persons to whom any such statements referred to in paragraph (d) may be made and the places and times at which any such persons will be available to receive any such statements;
 - (f) the times, being not less than twenty one days from the date of the notice, and places at which any village assembly or other public meetings will be held to explain and receive comments on the proposed declaration of a reserve; and
 - (g) any other matters as may be prescribed.
- (3) The Director shall be responsible for—
 - (a) collating, classifying and assessing any objections, representations and claims received under paragraph (d), of subsection (2);
 - (b) organising and ensuring the accurate recording of comments and representations made at public meetings which shall be held within or near the area of the proposed reserve during the period referred to in paragraph (d) of subsection (2);

- (c) making consultations with organisations and persons in the public and private sector as to enable him be in a proper position to advise the Minister on the proposed declaration of a reserve; and
 - (d) submitting a report, together with his observations and recommendations thereon, on the objections, representations, claims and consultations referred to in paragraphs (a), (b) and (c) to the Minister.
- (4) A report submitted under subsection (3) shall include comments on whether it would be preferable to declare the area under consideration as a community bee reserve.
- (5) At the village assembly or other public meetings referred to in paragraph (c) of subsection (3), the Director or such other official as may be designated by the Director shall explain with such diagrams, maps and pictures as may be considered necessary, the purpose and scope of the proposed bee reserve.
- (6) On receipt of the report referred to in paragraph (d) of subsection (3), the Minister shall refer that report and the proposal to declare a bee reserve to the Committee for its consideration.
- (7) The Committee shall within sixty days of the receipt of such a report submit its report with recommendations on the matter of the proposed reserve to the Minister.
- (8) The Minister shall after taking into consideration the report of the Committee submitted under subsection (7) and the report submitted by the Director under subsection (3), determine whether to —
- (a) make an Order, with or without amendments to the proposed boundaries of the proposed reserve; or
 - (b) defer the making of an Order for further consideration, consultation or investigation, and in particular for any investigation into any rights claimed by any persons under subparagraph (iii) of paragraph (d) of subsection (2); or
 - (c) refuse to make an Order, declaring an area of land to be a bee reserve, and any such determination shall be in writing and shall be accompanied by reasons.
- (9) Where the Minister does not make a determination as provided for in subsection (8) within one hundred and eighty days of the receipt of the reports referred to in subsection (7), it shall be presumed that he has refused to make the order.
- (10) Where the Minister determines to defer the making of an Order to declare a bee reserve, he shall specify in writing what further considerations, consultations or investigations are to take place in respect of that proposed bee reserve.
- (11) An Order made by the Minister under subsection (8)(a) declaring an area to be a bee reserve, shall be published in the *Gazette* and that area shall be known as a gazetted bee reserve.

14. Boundaries of a gazetted bee reserve

- (1) As soon as practicable after the publication of an Order made under subsection (11) of section 13 and in any event not later than one year after such publication, the Director shall cause the boundaries of the gazetted bee reserve to be visibly demarcated on the ground.
- (2) The Director shall cause a map or plan of each gazetted bee reserve to be prepared, copies of which shall be maintained and made available for inspection by members of the public during office hours at—
- (a) the head office of the Division;
 - (b) the office of the Division in the area where the gazetted bee reserve is situated;

- (c) the offices of the local authorities within the area where each gazetted bee reserve is situated; and
 - (d) any other places as may be prescribed.
- (3) The Director may, from time to time and subject to the approval of the Minister, make minor changes to the boundaries of any gazetted bee reserve to accommodate changes in the environmental circumstances of any such bee reserve.
- (4) During a period of not less than ninety days prior to proposing any minor change as is referred to in subsection (3), the Director shall—
- (a) give publicity to the proposal within the area where the gazetted bee reserve is situated by—
 - (i) causing a notice of the change to be posted in a prominent place in the offices of all local authorities within the area where the gazetted bee reserve is situated; and
 - (ii) giving such other publicity to the change as is customary in the area or bring the proposed change to the attention of holders of existing rights and other persons having interests in the gazetted bee reserve;
 - (b) invite comments from all such persons referred to in subparagraph (ii) of paragraph (a) on the proposed change;
 - (c) take into account all such comments made; and
 - (d) prepare a report on the proposed change for the Minister.
- (5) For purposes of this section, a minor change is that which does not affect in any significant way the existing rights of any rights holders within the gazetted bee reserve or the rights of any persons on land which shall be incorporated into the gazetted bee reserve through the proposed changes to the boundaries thereof and does not increase the size of the gazetted bee reserve by more than five percent.

15. Power to alter and degazetted bee reserve

- (1) Subject to the provisions of subsections (2), (3) and (4), the Minister may by Order published in the *Gazette*, revoke the declaration of all or a part of any gazetted bee reserve.
- (2) The procedures set out in section 13 shall apply with such modifications and adaptations as the Minister may consider necessary to the exercise of the power to alter or degazette a bee reserve or any part thereof but no such modification or adaptation shall reduce the time available for comments on proposed action taken to alter and degazette or the responsibilities of the Director set out in subsection (3) or the duties of the Minister set out in subsections (8) and (9) of that section.
- (3) An Act to alter or degazette a bee reserve shall not affect in a deleterious way the existing rights of any rights holders within such bee reserve unless the rights holders have been consulted on the matter during the period provided for the submission of comments on the same and they have either—
- (a) agreed to the alteration on their existing rights together with an amount of compensation in respect of any losses caused by such alteration; or
 - (b) where it has not been possible to reach agreement and the Minister is satisfied that an alteration in existing rights is necessary, in all circumstances of the case, he shall ensure that the rights holders have been paid full and fair compensation for the involuntary loss of any such existing rights.
- (4) In the case referred to in paragraph (b) of subsection (3), any person who is aggrieved by the determination of the Minister may appeal to the High Court.

16. Management of a gazetted bee reserve

- (1) The functions of managing a gazetted bee reserve may be undertaken by either—
 - (a) the Division;
 - (b) an Executive Agency;
 - (c) a local authority;
 - (d) a village;
 - (e) a Group;
 - (f) a person holding a concession of the whole or a part of a gazetted bee reserve;
 - (g) a company, co-operative or other organisation in the private sector; or
 - (h) a non-governmental organisation.
- (2) Different parts or activities within a gazetted bee reserve may be managed by the different persons or bodies listed as per subsection (1).
- (3) The Director, in the case of a national bee reserve, and the chief executive officer, in the case of a local authority bee reserve, shall determine which of the persons or bodies listed under subsection (1) shall manage a gazetted bee reserve or any part thereof or any activity therein.
- (4) The Director, in the case of a national bee reserve, and the chief executive officer, in the case of a local authority bee reserve, may invite any person or body listed under subsection (1) to submit a proposal to manage a gazetted bee reserve or any part thereof or activity therein and any such proposal that is submitted shall include—
 - (a) the time of the preparation of a plan for the management of the bee reserve;
 - (b) the envisaged structure and modalities of co-operation and consultation with—
 - (i) rights holders within the gazetted bee reserve;
 - (ii) any other person or body having management functions within that bee reserve;
 - (iii) any other person or body with interests in that bee reserve;
 - (c) the type of activities which shall be permitted in the gazetted bee reserve;
 - (d) the resources likely to be available to enable any management plan to be executed and how those resources shall be collected, allocated and divided between the bodies with responsibilities for managing the bee reserve; and
 - (e) any other matters as may be prescribed.
- (4) Prior to the making of any determination in respect of a national bee reserve under subsection (3), the Director shall submit a report on the matter to the Committee and he shall take into account any comments the Committee shall make thereon.
- (5) Where the Director, in the case of a national bee reserve or the chief executive officer in the case of a local authority bee reserve has determined that a person or body other than the Division or as the case may be, the local authority shall manage a gazetted bee reserve or part thereof or any activity therein, he shall make a joint management or other agreement with that person or body in respect of the management of that bee reserve.

17. Prohibited activities within a gazetted bee reserve

- (1) After coming into force of a declaration of a bee reserve, no person, other than a proven existing rights holder shall do any of the following acts unless such a person has been granted a licence or a

permit under this Act to do that act or the doing of that act is a necessary consequence of the grant of a licence or a permit under this Act to do some other related acts such as—

- (a) take, remove, burn, damage or destroy any bee, colony or any apiary products;
 - (b) cut down, fell, dig up or remove any tree;
 - (c) dig up or remove any wild plant;
 - (d) enter, perambulate for purposes of tourism, or camp within a bee reserve;
 - (e) take and remove any rock, stones, sand, shells or soil;
 - (f) undertake any mining activities;
 - (g) clear land;
 - (h) cut, burn, uproot, damage or destroy any vegetation;
 - (i) plant any crops, trees or other vegetation prohibited from being planted within the bee reserve;
 - (j) erect any buildings or other structures;
 - (k) construct any roads, paths, bridges, railways, waterways or runways;
 - (l) allow any livestock to enter any bee reserve;
 - (m) graze or depasture any livestock;
 - (n) use any buildings or other structures for any purpose other than a purpose for which it was being used at the time of the declaration of the bee reserve;
 - (o) carry out any research activity for which a research permit is required; and
 - (p) undertake any other activity within a bee reserve that is prohibited by regulations applicable to all bee reserves or any rules applicable to a specific bee reserve.
- (2) No person shall within a bee reserve use any plant-protection substances classified by an authorised research institute which is likely to cause harm to bees, beekeeping activities, bee fodder plants or apiary products.

18. Joint management agreement for gazetted bee reserve

- (1) A joint management agreement for the management of a gazetted bee reserve may be made by the Director and a local authority or a village council or a group or any person or organisation in the public or private sector *inter se* providing for the management by that organ or person and in that sector for the whole or a part of, or some specific matter within, a bee reserve.
- (2) A joint management agreement referred to in subsection (1), shall include the following—
 - (a) a description of the bee reserve or the area of the bee reserve covered by the agreement;
 - (b) a description of the matters which are the subject of the agreement;
 - (c) a statement of the objectives of the agreement;
 - (d) names of the officers of the organisations that are making the agreement and a brief statement of the powers and authority of the organisations to make any such agreement;
 - (e) a description of the management activities agreed to be undertaken by the bee reserve manager;
 - (f) the rules governing and regulating the use, access to resources of the bee reserve, including, where relevant, rules concerning the powers, and duties of persons from a local community appointed to act as bee reserve keeper of the reserve, penalties to be imposed for violating

- the rules and, in the case of agreements referred to in paragraph (c), rules concerning expulsion from occupation or limiting or preventing use of, or access to, the bee reserve or any produce therein which may be applied to any member of a village or an organisation managing the reserve;
- (g) a description of the existing rights of rights holders within the bee reserve who are not parties to the agreement and procedures for resolving any disputes between them and the parties to the agreement;
 - (h) rules regulating access to, use and division of, and management and audit of any funds which may be made available for, or are generated through the implementation of, the agreement;
 - (i) procedures for resolving disputes which may arise between the parties to the agreement;
 - (j) the duration of the agreement;
 - (k) revision of the agreement; and
 - (l) any other matters as may be prescribed or as the parties to the agreement consider necessary to be included.
- (3) When an agreement has been negotiated between the parties thereto, it shall be signed by one or more persons from each party to the agreement, authorised by such party so to do.
- (4) The Director may—
- (a) issue guidance on joint management agreements to parties negotiating any such agreement;
 - (b) prepare model joint management agreements; and
 - (c) at the request of any of the parties referred to in subsection (1) where he is not a party to an agreement, participate and advise the parties in the negotiations of any agreement.
- (5) Nothing in this section shall prevent the Director or any person or authority or organisation in the public or private sector from making any arrangement or agreement with any other person, authority or organisation in the public or private sector which may give rise to rights and duties and which may be recorded in writing relating to the management of a bee reserve or any other area of land set aside for beekeeping or any part thereof.
- (6) Notwithstanding the provision of subsection (5), no such arrangement or agreement shall adversely affect the existing rights of persons who are not parties to any such agreement or arrangement or in any such reserve or area set aside for beekeeping.

19. Declared local authority bee reserve

- (1) A local authority or more local authorities may by resolution—
- (a) declare an area of land under its jurisdiction to be a declared local authority bee reserve;
 - (b) submit an application to the Director for a declared local authority bee reserve to be gazetted and become a gazetted bee reserve;
 - (c) negotiate a joint management agreement with the Director or some other person or body with respect to the management of a gazetted bee reserve; and
 - (d) establish a committee or joint committee to manage a declared local authority bee reserve or allocate the duties of managing such a bee reserve to an existing committee of the local authority.
- (2) A declared local authority bee reserve shall be managed in accordance with—
- (a) the provisions of this Act;
 - (b) such priorities as may be determined by the local authority;

- (c) such by-laws and other rules as may be made by the local authority, including any model by-laws adopted for use in respect of a declared local authority bee reserve by the local authority;
 - (d) such customary rules and practices applicable to the management of bees and apiary products within the area recognised as such by the local authority, provided that they are not in conflict with this Act or other rules made by the local authorities;
 - (e) such agreement as may be made between the local authority and some other person or body relating to the management of the declared local authority bee reserve, which shall be approved by the local authority before it shall come into operation;
 - (f) the general principles and rules of the management of local authority affairs; and
 - (g) any other rules and practices as may be prescribed.
- (3) The Director may, by notice published in the *Gazette*, and after consultation with the chief executive officer of the local authority having jurisdiction in the area where the declared local authority bee reserve is situated, grant any person professionally or technically qualified in beekeeping or environmental management or conservation, employed or hired or seconded or working alongside the local authority, by name or office, such powers of a beekeeping officer in respect of such declared local authority bee reserve as may be specified in the said notice and he may, subject to consultation with the said chief executive officer and on giving reasonable notice to the person concerned, revoke such grant.
- (4) The Director may from time to time issue guidance to local authorities in respect of the management of declared local authority bee reserves and local authorities, shall pay due regard to them.
- (5) A local authority may, in accordance with prescribed procedures, apply to the Director for a declared local authority bee reserve to be converted into a gazetted local authority bee reserve.
- (6) The provisions of sections 15 and 16 shall apply to an application to convert a declared local authority bee reserve into a gazetted bee reserve as they do to a proposal to declare a gazetted bee reserve provided by those sections.

20. Declared village bee reserve

- (1) A village council may, by resolution, determine to—
- (a) declare an area of village land under its jurisdiction to be a village bee reserve;
 - (b) negotiate a joint management agreement or other agreement or arrangement with the Director, a Group or some other person or body in respect to the management of a village bee reserve;
 - (c) establish a committee to manage a village bee reserve or allocate the duties of managing such a bee reserve to an existing committee of the village council.
- (2) Where a village land bee reserve committee is established, it shall—
- (a) be formed from the membership of the village assembly;
 - (b) be formed with due regard to gender balance;
 - (c) elect a chairman annually from amongst its membership;
 - (d) be the principal village body concerned with the management of a village bee reserve;
 - (e) report on a regular basis and take account of the views of the village assembly on the management of the village bee reserve.

- (3) A village bee reserve management committee may co-opt persons to the committee but such persons shall not vote on any matter coming before the Committee.
- (4) A declared village bee reserve shall be managed in accordance with—
 - (a) the provisions of this Act;
 - (b) such priorities as may be determined by the village council;
 - (c) such by-laws and other rules as may be made by the village council;
 - (d) such customary rules and practices applicable to the management of bees and apiary products within the area;
 - (e) any agreement made between the village council and some other persons or body relating to the management of the declared village bee reserve, which shall be approved by the village assembly before it shall come into operation.
- (5) The Director may by notice published in the *Gazette*, and after consultation with the chief executive officer of the local authority having jurisdiction in the area where the declared village bee reserve is situated, grant any person professionally or technically qualified in beekeeping or environmental management or conservation employed or hired by or seconded to or working alongside the village council by name or office, such powers of a beekeeping officer in respect of such declared village land bee reserve as may be specified therein and he may, subject to consultation with the said chief executive and on giving reasonable notice to the person concerned, revoke such powers.
- (6) The Director may from time to time issue guidance to village councils in respect of the management of declared village bee reserves and village councils shall, pay due regard to them.

21. Power of local authority to make by-laws

- (1) Notwithstanding any provisions of the Local Government (Urban Authorities) Act ⁹ and the Local Government (District Authorities) Act ¹⁰ related to powers to make by-laws, a local authority performing the functions of managing a bee reserve and a village council performing similar functions shall, prior to making any by-laws applicable to such bee reserve—
 - (a) submit a draft of any such proposed by-laws to the Director;
 - (b) consider carefully any comments or recommendations the Director may make on any such draft; and
 - (c) not proceed to the making of any such by-laws until it has received and considered any such comments and recommendations.
- (2) Where the Director has received a draft of any by-laws referred to in subsection (1), he shall forward comments and recommendations to the local authority from which the draft by-laws came from within sixty days or such period as he may determine.
- (3) Where the comments and recommendations referred to in subsection (2) are not sent within sixty days or the prescribed period, the village council may proceed to make the proposed by-laws without further delay.
- (4) The Director may prepare and publish model by-laws for bee reserves.

9

[Cap. 288](#)

10

[Cap. 287](#)

- (5) Where a local authority or village council to which this section applies decides to adopt and approve some or all of the model by-laws prepared by the Director under subsection (4), the provisions of subsection (1) shall not apply thereupon.

22. Supervision of village and community bee reserves by local authorities

- (1) A local authority exercising jurisdiction within the area where a village council or a group of persons or a Group is managing a village bee reserve or a community bee reserve, shall exercise a general supervision over the functions of management of that bee reserve by that village council, or that group of persons or a Group.
- (2) Where the local authority referred to in subsection (1) is of the opinion based on information given to it by any officer or a village council or a Group exercising functions related to the management of a bee reserve under this Act is failing to exercise such functions as provided in subsection (4) of section 20, the said local authority may—
 - (a) serve a notice on that village council or Group managers requiring them to take the steps specified in that notice within the time specified therein to rectify and improve its management as required.
 - (b) serve a notice on that village council or Group managers requiring them to show cause, within the time specified in that notice, as to why the said local authority should not take over and exercise the functions of management of that bee reserve for a period specified therein;
 - (c) in either case referred to in paragraph (a) or (b), upon making a written request to them send its officer to appear before such village council or Group managers personally for the purpose of making representations orally; and
 - (d) where, in the opinion of the local authority, the village council or the Group managers have failed to show cause as required under paragraph (b) above, may by resolution, decide to take over the functions of management in respect of that bee reserve as specified in the notice referred to in paragraph (b).
- (3) A village council or a Group may appeal in writing to the Minister responsible for local authority against any decision by a local authority to take over and exercise the functions of management of a bee reserve under subsection (2) above, and the Minister responsible for local authority may appoint a person, not being an officer from his Ministry, to hear any representations that such village council or Group may wish to make in relation to its appeal and thereafter to report to the Minister responsible for local authority on the representations.
- (4) The Minister responsible for local authority shall—
 - (a) before determining an appeal have regard to the report submitted to him under subsection (3);
 - (b) not be bound to determine any appeal in accordance with any report made by any such person or to give any local authority or other beekeeping management authority appealing under this subsection an oral hearing;
 - (c) give reasons in writing for his decision; and
 - (d) convey a copy of his decision to the village council.
- (5) Before reaching any decision on an appeal made to him under subsection (3), the Minister responsible for local authority shall consult with the Minister.
- (6) Where the Director proposes to exercise any power under section 8 in respect to a village or community bee reserve, he shall inform the local authority having jurisdiction within the area where such village or community bee reserve is situated in writing of that fact and the said local

authority shall not thereafter exercise any powers under this section with respect to that village or community bee reserve.

- (7) Where the local authority having jurisdiction within an area where a village or community bee reserve is situated proposes to exercise any power under this section, it shall, prior to any such exercise, inform the Director in writing of that fact with the reasons for the proposed action.

23. Establishment of beekeeping zones

- (1) The Director may, on his own motion or as a result of representations made to him, establish a beekeeping zone within a national, or local authority, forest reserve and general land.
- (2) Where the Director proposes to make an Order declaring an area of land to be a beekeeping zone, he shall cause a notice, to be referred to as a notice of intention, to be published, which shall—
 - (a) describe the proposed boundaries of the beekeeping zone and shall be kept in a conspicuous place in the offices of all local authorities within whose area of jurisdiction any part of the proposed beekeeping zone is situated or is contiguous thereto; and
 - (b) give publicity in such manner as is customary in the area to draw the attention of all persons living in the vicinity of the proposed beekeeping zone.
- (3) The notice of intention shall include—
 - (a) a description of the boundaries of the proposed beekeeping zone;
 - (b) a statement of the purposes for which the land is proposed to be declared to be a beekeeping zone;
 - (c) an outline of the proposed arrangements which shall govern the keeping of bees within the beekeeping zone;
 - (d) the period of time, being not less than sixty days within which any person or group of persons or a representative thereof may, either orally or in writing—
 - (i) object to; or
 - (ii) make representations aboutthe proposed declaration of a beekeeping zone and the contents of the proposed arrangements for managing the keeping of bees within the zone;
 - (e) the person or persons to whom any such statements as are referred to in paragraph (c) may be made and the places and times at which any such persons shall be available to receive any such statements;
 - (f) the times, being not less than twenty-one days from the date of the notice, and places at which any village assembly or other public meetings shall be held to explain and receive comments on the proposed declaration of a beekeeping zone and the proposed management scheme; and
 - (g) any other matters as may be prescribed.
- (4) The Director shall—
 - (a) collate, classify and assess any objections and representations received under paragraph (d) of subsection (3);
 - (b) organise and ensure the accurate recording of comments and representations made at one or more village assemblies or other public meetings which shall be held within or near the area proposed to be declared as a reserve during the period referred to in paragraph (f) of subsection (3); and

- (c) undertake such consultations with organisations and persons in the public and private sector as to enable him to make an informed decision on the proposed declaration of a beekeeping zone.
- (5) At the village or other public meetings referred to in paragraph (f) of subsection (3) the Director or such other officials as may be designated by the Director shall explain with such diagrams, maps and pictures as may be considered necessary and desirable, the purpose and scope of the proposed beekeeping zone and the proposed management arrangements.
- (6) The Director shall after taking account of all the information generated by the processes provided by this section, determine whether to—
 - (a) make an order, with or without amendments, to the proposed boundaries of the proposed beekeeping zone; or
 - (b) defer the making of an order for further consideration, consultation or investigation; or
 - (c) refuse to make an order, declaring an area of land to be a beekeeping zone,and any such determination shall be in writing and shall be accompanied by reasons.
- (7) Where the Director does not make a determination as provided for in subsection (7) within ninety days of the receipt of the reports referred to in that subsection it shall be presumed that he has refused to make the order.
- (8) Where the Director determines to defer the making of an order to declare a beekeeping zone, he shall specify in writing what further considerations, consultations or investigations are to take place in respect of that proposed beekeeping zone.
- (9) Where a beekeeping zone has been established, any person permitted to keep bees within that zone and any employee or co-worker of any such person shall be issued with a permit to enter and traverse therein for all purposes necessary to enable permitted beekeeping activities to be carried out therein.
- (10) Without prejudice to the generality of clause (1) to (9), before establishing a beekeeping zone, the Director responsible for beekeeping shall consult the Director responsible for forestry matters.

24. Beekeeping in beekeeping zones

- (1) Any person, group of persons, group, or organisation may apply in the prescribed form to the Director to keep bees within a beekeeping zone.
- (2) In determining whether to approve an application to keep bees within a beekeeping zone, the Director shall give preference to persons living in proximity to the beekeeping zone.
- (3) The Director may delegate any powers conferred on him by this section to any local authority nearby national forest reserve.
- (4) Any person who at the coming into force of this Act, was keeping bees within a national or local authority forest reserve with the permission of the manager of the national or local authority forest reserve, as the case may be, shall be deemed to have received permission from the Director to continue to keep bees within that national or local authority forest reserve as if the place where he was keeping the bees was a beekeeping zone.

25. Local authority beekeeping zones

- (1) A local authority may establish a beekeeping zone within a local authority forest reserve.
- (2) The management of beekeeping zones in local authority forest reserve shall be equal to that of sections 23 and 24 provided that the word "Director" in subsection (1) of section 23 be substituted with the phrase "local authority having jurisdiction over the local authority reserve", in subsection (5) the word "Director" to be substituted with the phrase "the chief executive officer of the local

authority" and in subsection (3) of section 24, the words "local authority" to be replaced by the words "village council".

- (3) Notwithstanding the provisions of subsection (2), the procedures for the establishment of beekeeping zones provided under subsections (2) to (9) of section 23 shall only be applicable in respect of beekeeping zones situated in general land.

26. Environmental impact assessment

- (1) In any proposed development in a beekeeping reserve, in a beekeeping zone, in an area nearby a beekeeping reserve or a beekeeping zone which is an environmentally sensitive area, whether that development is proposed by, or is to be implemented by, a person or organisation in the public or private sector, the proposer of the development shall prepare and submit to the Director an environmental impact statement of the proposed development from the recognized body and, notwithstanding any other written law to the contrary, no development to which this section applies shall be commenced unless an environmental impact assessment has been completed to the satisfaction of the Director.
- (2) The developments to which this section apply are—
 - (a) commercial logging and forest industry and developments within a forest reserve in which a beekeeping zone has been established necessarily connected with commercial logging and forest industry where the development exceeds five hectares or such area as may be prescribed;
 - (b) mining developments;
 - (c) road construction or the laying of pipelines;
 - (d) the construction of dams or power stations;
 - (e) the construction of a building or group of buildings for purposes other than the management of a beekeeping reserve or beekeeping zone on an area of land exceeding one hectare or such area as may be prescribed;
 - (f) any agricultural or horticultural development on an area of land exceeding five hectares or such area as may be prescribed where plant-protection substances classified by an authorised research institute are likely to cause harm to bee activity, beefodder plants or apiary products are to be used; and
 - (g) any other developments as may be prescribed.
- (3) The modalities and substance of an environmental impact assessment to which this section applies shall have regard to the acceptable practice.
- (4) In exercising his functions under this section, the Director shall co-ordinate with the functions of any other ministry in respect of the production of an environmental impact assessment which is required under any written law, the implementation of which is the responsibility of that ministry.
- (5) An environmental impact assessment produced under this section shall set out an environmental management plan and an integrated pest management plan for eliminating or minimising the impact on the beekeeping environment and where, after consideration and approval of the environmental impact assessment, the development is permitted, the developer shall be under a duty to comply with that environmental management plan and that integrated pest management plan in carrying out its activities.

Part V – Registration of beekeepers (s. 27)

27. Establishment of beekeepers registration system

- (1) The Minister may, by Order, published in the *Gazette* establish a beekeepers registration system and where any such system has been established the provisions of this Part shall apply to any person carrying on any of the activity of beekeeping which is brought within such system.
- (2) Any beekeepers registration system may apply to—
 - (a) the whole or any part of the country; or
 - (b) any activity pertaining to beekeeping.
- (3) The procedures of section 13 shall apply to the Order made under this section as they apply to the declaration of a gazetted bee reserve under that section with such adjustments and adaptations as the nature of the subject matter of this section may require.
- (4) Any Order made under this section shall contain such matters as may be prescribed.

Part VI – Regulation of beekeeping activities (ss. 28-37)

28. Powers of the Director to restrict beekeeping

- (1) If the Director or authorised officer is satisfied that in relation to particular premises on which an apiary is being maintained—
 - (a) the keeping of bees or a number of beehives are a public nuisance or a danger to public health or public safety; or
 - (b) for any other specified reason, those premises are unsuitable for beekeeping, he may, by order served on the person who is keeping or who is responsible for the apiary—
 - (i) prohibit—
 - (aa) the keeping of bees on those premises; or
 - (bb) the keeping of more than specified number of beehives on those premises, after such date as may be specified in the order being a date not earlier than thirty days after the service of such order; and
 - (ii) direct that, not later than that date, the person who established or who is keeping the apiary—
 - (aa) remove the apiary; or
 - (bb) remove the numbers of beehives in excess of the maximum number of beehives specified under subparagraph (ii) of paragraph (c), from those premises.
- (2) Where the Director is satisfied that an apiary is about to be established on particular premises such that the keeping of bees on those premises would be a public nuisance or a danger to public health or public safety or for any other reason, those premises would be unsuitable for beekeeping, he may by order prohibit the keeping of bees or the establishment of an apiary on those premises.
- (3) An order referred to in subsection (2) shall be served on the occupier of the premises and, where the occupier of the premises is not the person who has established or who intends to establish an apiary on those premises, shall, also be served on such person, and no order shall come into effect until after the date specified therein being not earlier than thirty days after the service of such notice.

- (4) Where the Director or an authorised officer is satisfied that a person has failed to comply with directives contained in an order under paragraph (d) of subsection (1) or has not removed the apiary to some other premises as ordered, he shall report the matter to the court.
- (5) Where an appeal under section 55 is made against an order or any part thereof before the date on which the order is to take effect, the order shall not take effect until the appeal is determined or is withdrawn.

29. Honey not to be exposed

- (1) Where honey or any bee comb or appliance in which honey is kept is in the possession or under the control of a person, that person shall ensure that the honey, bee comb or appliance does not remain exposed in a manner or under conditions which would allow robber bees access to the honey.
- (2) The Director or an authorised officer may give such advice as appears to him to be necessary to assist any person to comply with the duty created by subsection (1).

30. Protection against wax moth and other pests

- (1) A person shall not store combs, cappings, beeswax or appliances in which honey is kept in such a manner as to attract pests to breed and develop therein.
- (2) An inspector may give instructions as may be necessary to any beekeeper in respect of actions to be taken to minimise or eliminate the possibility of pests being attracted to or breeding in any combs, cappings, beeswax or appliances.

31. Reporting of notifiable disease

A beekeeper shall as soon as after first becoming aware of or first suspecting that any bees, beehives, apiary products, or appliances in the beekeepers' possession or under the beekeepers' control are infected with a notifiable disease, give notice of the existence or suspected existence of that disease to the Director or an inspector.

32. Inspection for bees

An inspector who receives notice under section 31 or who otherwise becomes aware of the existence or suspected existence of a notifiable disease shall be under a duty to examine the bees, beehives, apiary products or appliances and the place where the disease exists or is suspected to exist.

33. Duties of beekeepers in respect of diseases

A beekeeper shall—

- (a) subject to the directives of an inspector as to the steps to be taken to treat or eradicate any notifiable disease, keep or allow to remain on any land under his control any bees, beehives, apiary products or appliances known to the beekeeper to be infected with or liable to spread such a disease among bees;
- (b) not sell or otherwise than in a prescribed manner, dispose of any bees, beehives, apiary products or appliances from an apiary known by the beekeeper to be infected with or to be liable to spread such a notifiable disease;
- (c) comply with lawful orders and directives from an inspector as to the steps which must be taken, including steps to destroy any bees, beehives, apiary products and appliances, in order to eradicate or prevent the spread of a notifiable disease among bees.

34. Powers of inspectors in relation to disease

- (1) Where an inspector is satisfied that any bees, beehives, apiary products or appliances are infected with a notifiable disease and are sources of immediate danger to other bees, he shall—
 - (a) direct the beekeeper concerned to cause the bees, beehives, apiary products or appliances to be destroyed or irradiated, forthwith or within such reasonable period as he specifies; and
 - (b) if, after giving such directives, they are not complied with in the time specified therein, cause to be destroyed or irradiate those bees, beehives, apiary products or appliances.
- (2) Where an inspector gives a directive under subsection (1), he shall make an inventory of the bees, beehives, apiary products or appliances to which the directive applies.
- (3) Where, on inspecting premises on which bees, apiary products or appliances are kept, an inspector is satisfied that any bees, beehives, apiary products or appliances on those premises—
 - (a) are infected with a notifiable disease; or
 - (b) are liable to spread such a disease,but are not an immediate source of danger to other bees, he may direct the beekeeper or the person occupying or having control of the premises concerned to treat the bees, beehives, apiary products or appliances or to take such other measures in such manner and within such reasonable period as the inspector specifies in the directive.
- (4) Where a beekeeper or the person occupying or having control of the premises fails within the specified period to comply with a directive given to him by an inspector under subsection (2), he shall report the matter to the court.
- (5) Where an inspector gives a direction under subsection (2) in relation to particular premises, he may give a further directive—
 - (a) that, bees, beehives, apiary products or appliances to which the first directive applies shall not be sold or otherwise disposed of or shall not be removed from those premises; or
 - (b) that no bees, beehives, apiary products or appliances shall be brought to the premises,for a period not exceeding three months or as may be specified in that further directive.
- (6) Any such directives given under subsection (5) may be renewed for three months in accordance with this subsection, but such renewal may be extended for a further period of three months where an inspector is satisfied that such a renewal is necessary.
- (7) Where an inspector—
 - (a) suspects that a person is contravening or is about to contravene a directive given under subsection (5); or
 - (b) finds bees, beehives, apiary products or appliances which he suspects to have been sold, disposed of or removed in contravention of such a directive,he shall seize and detain the bees, beehives, apiary products or appliances concerned pending their disposal under this Act.
- (8) An inspector may give such ancillary directives as may be necessary and for the purpose of enabling him to exercise powers conferred to him by this section.

35. Declaration of infected area

- (1) The Minister, on being satisfied that a notifiable disease is present or is suspected to be present within a particular area, may by Order published in the *Gazette*—
 - (a) declare the area to be an infected area;
 - (b) define the boundaries of the area; and
 - (c) prohibit either absolutely or subject to such exceptions and conditions as may be specified in the Order, bees, beehives, apiary products or appliances from being brought into and from being taken out of the area while the Order is in force.
