[Section 4.]

GENERAL POWERS

In addition to the powers provided elsewhere in this Agreement, the Bank shall have power to—

- (a) borrow funds in member countries or elsewhere, and in that connexion to furnish such collateral or other security as it shall determine, provided always that—
 - (i) before making a sale of its obligations in the market of a member, the Bank shall have obtained its approval;
 - (ii) where the obligations of the Bank are to be denominated in the currency of a member, the Bank shall have obtained its approval; and
 - (iii) where the funds to be borrowed are to be included in its ordinary capital resources, the Bank shall have obtained, where appropriate, the approval of the members referred to in subparagraphs (i) and (ii) of this paragraph that the proceeds may be exchanged for any other currency without any restrictions;

- (f)
 - (i) provide all technical advice and assistance which serve its purpose and come within its functions; and
 - (ii) where expenditure incurred by such a service is not reimbursed, charge the net income of the Bank therewith and, in the first five years of its operations, use up to one percent of its paid-up capital on such expenditure; provided always that the total expenditure of the Bank on such services in each year of that period does not exceed one-fifth of that percentage; and

SPECIAL BORROWING POWERS

(1) The Bank may request any member to loan amounts of its currency to the Bank in order to finance expenditure in respect of goods or services produced in the territory of that member for the purpose of a project to be carried out in the territory of another member.

(2) Unless the member concerned invokes economic and financial difficulties which, in its opinion, are likely to be provoked or aggravated by the granting of such a loan to the Bank, that member shall comply with the request of the Bank. The loan shall be made for a period to be agreed with the Bank, which shall be in relation to the duration of the project which the proceeds of that loan are designed to finance.

(3) Unless the member agrees otherwise, the aggregate amount outstanding in respect of its loans made to the Bank pursuant to this Article shall not, at any time, exceed the equivalent of the amount of its subscription to the capital stock of the Bank.

(4) Loans to the Bank made pursuant to this Article shall bear interest, payable by the Bank to the lending member, at a rate which shall correspond to the average rate of interest paid by the Bank on its borrowings for Special Funds during a period of one year preceding the conclusion of the loan agreement. This rate shall in no event exceed a maximum rate which the Board of Governors shall determine from time to time.

(5) The Bank shall repay the loan, and pay the interest due in respect thereof, in the currency of the lending member or in a currency acceptable to the latter.

(2) Whenever the par value of the currency of a member is increased in terms of the said unit of account, or its foreign exchange value has, in the opinion of the Bank, appreciated to a significant extent, the Bank shall pay to that member within a reasonable time an amount of that currency required to adjust the value of all such currency held by the Bank, excepting currency derived by the Bank from its borrowing.
