Terms and conditions are as stated herebelow:

- (1) When licensing a new manufacturing factory due consideration will be taken to ensure that processing over-capacity is not created in a given local area or zone. In the case of a private investor, the Tea Board shall arbitrate to decide how the farmers are distributed between the existing and the new factory before issuing a licence. A licence for a new factory will only be issued to persons or companies who have at least 250 hectares of mature tea bushes.
- (2) The Board in consultation with the Minister may cancel, vary or suspend any licence issued to a company if any company fails to abide with the terms and conditions of the licence;
- (3) The duration during which the tea manufacturing factories are to submit their returns with the monthly cess shall be not later than 14 days of the beginning of each month and a payment of

interest on outstanding arrears after the 14th day of the following month at bank interest rates will be charged;

- (4) A manufacturing licence may be suspended where a manufacturing licensee without any good reason acceptable to the Board continues to default on manufacturing cess payments beyond a period of 21 days of the following month. The Board is at liberty to use its powers under paragraph (2) above or may recover the same amount as a civil debt.
