## **Agreement on the Establishment of the Global Green Growth Institute**

The Parties to this Agreement,

Acknowledging that the integration of economic growth and environmental sustainability is essential for the future of humankind;

Recognizing the need to develop and diffuse a new model of economic growth—green growth—that simultaneously targets economic performance and environmental sustainability, ultimately supporting the global paradigm shift towards a sustainable economy;

Supporting the sustainable development of developing and emerging countries, including the poorest communities within those countries and the least developed countries, through effective green growth strategies and plans that deliver poverty reduction, job creation and social inclusion in an environmentally sustainable manner;

Striving to achieve the sustainable development of the international community through dialogue, collective learning and collaboration between developed and developing countries and the public and private sectors;

Contributing to the successful outcome of the United Nations process on sustainable development and attainment of other internationally agreed goals, including the Millennium Development Goals such as eradicating extreme poverty and hunger, ensuring environmental sustainability and developing global partnerships for development;

Pursuing a close collaboration with other international organizations and international financial institutions that promote green growth;

Understanding that the design and implementation of green growth require continuity and a long term perspective;

Noting that a new kind of interdisciplinary and multi-stakeholder international organization is necessary to effectively address climate change and implement low-carbon development strategies; and

Desiring to establish the Global Green Growth Institute as an international organization;

Have agreed as follows:

**Article 1**  
**ESTABLISHMENT**

1. The Global Green Growth Institute is hereby established as an international organization (hereinafter referred to as the “GGGI”).
2. The headquarters of the GGGI shall be located in Seoul, the Republic of Korea.

**Article 2**  
**OBJECTIVES**

The GGGI shall promote sustainable development of developing and emerging countries, including the least developed countries, by:

- a. supporting and diffusing a new paradigm of economic growth: green growth, which is a balanced advance of economic growth and environmental sustainability;
- b. targeting key aspects of economic performance and resilience, poverty reduction, job creation and social inclusion, and those of environmental sustainability such as climate change mitigation and adaptation, biodiversity protection and securing access to affordable, clean energy, clean water and land; and
- c. creating and improving the economic, environmental and social conditions of developing and emerging countries through partnerships between developed and developing countries and the public and private sectors.

**Article 3**  
**DEFINITIONS**

For the purposes of this Agreement:

- a. *contributing member* means a Member of the GGGI that has provided a multi-year financial contribution of core funding of no less than 15 million USD over three years or 10 million USD over the first two years. The level and nature of contribution required to qualify as a contributing member shall be kept under review by the Assembly, and may be adjusted by the Assembly by consensus to support the growth of the GGGI over time;
- b. *participating member* means a Member of the GGGI that is not a contributing member under paragraph a;
- c. *members present and voting* means members present and casting an affirmative or a negative vote. A quorum for any decision of the Assembly or Council shall be a simple majority of the

d. *the Organization* means the body known as the Global Green Growth Institute established as a non-profit foundation on 16 June 2010 in the Republic of Korea.

#### **Article 4**

#### **Article 5**

2. No Member shall be liable, by reason of its status or participation in the GGGI, for acts, omissions or obligations of the GGGI.

---

<sup>1</sup> *Regional integration organization shall mean an organization constituted by sovereign states of a given region, to which its member states have transferred competence in respect of matters governed by the present Agreement.*

2. Parties to those consultations shall make every effort to arrive at a mutually satisfactory resolution of the matter.
3. The consultations under this Article shall not be disclosed to any other party unless otherwise agreed, and are without prejudice to the right of a Member to raise a matter in the Assembly.

**Article 28**  
**TERMINATION**

1. This Agreement may only be terminated through a decision by consensus in the Assembly of all Members.
2. Any decision taken under paragraph 1 shall not take effect before twelve months have expired, unless otherwise decided by the Assembly by consensus.
3. The termination of this Agreement shall not affect the carrying out of any project or program undertaken under this Agreement and not fully executed at the time of termination of this Agreement, unless as otherwise agreed by the Assembly consensus.
4. Upon termination, the Assembly may agree, by consensus, to devolve the property and assets of the GGGI to one or more international bodies that have the same, or substantially the same, objectives of the GGGI as contained in Article 2.
