**THE PLANT PROTECTION (DATURA) RULES**

G.N. 1944  
No. 282

1. These Rules may be cited as the Plant Protection (Datura) Rules.

2. In these Rules—

Supp. 60  
Cap. 133  
p. 20

“datura” means any of the vegetable organisms which are declared to be pests by the Plant Protection (Pests) Order.

3. Every owner or occupier of land upon which wheat or rye is growing shall uproot and destroy any datura which may be growing upon such land or upon an area extending five yards beyond the boundaries of such land before it has reached the flowering stage.
