

Weed Seeds

GOVERNMENT NOTICE No. 31 published on 13/2/76

THE SEEDS (REGULATION OF STANDARDS) ACT, 1973
(No. 29 OF 1973)

ORDER

Made under section 6

THE WEED SEEDS ORDER, 1976

1. This Order may be cited as the Weed Seeds Order, 1976.
- 2.—(1) For the purposes of this Order “weed seed” means seeds, bulblets or tubers of plants specified as weed seeds under the Seeds (Regulation of Standards) Act, 1973 or recognized as weed seeds by general usage.
(2) The seeds of the species of plants specified in the Schedule hereto are hereby prescribed as weed seeds for the purpose of establishing grade standards under the Seeds (Regulation of Standards) Act, 1973.

Weed Seeds

G.N. No. 31 (contd.)

SCHEDULE

Class 1: Prohibited Noxious Weed Seeds (Applicable to all tables of grade standards set out in First Schedule to the Seeds Regulations, 1976).

Prohibited noxious weed seeds are weed seeds not allowed in any seed at all, that is to say, a sample of seed may not contain any Prohibited noxious weed seed. However, if any prohibited noxious weed seed is found in a sample, the tolerance shall be one seed per kilogram. If two or more seeds are found in a kilogram the seed shall be placed under stop sale until it has been recleaned and retested. When one prohibited noxious weed seed is found it will be considered within the tolerance none. The following are prohibited noxious weed seeds:—

- | | |
|---|------------------------------|
| 1. Witchweed | <i>Striga</i> spp. |
| 2. Dodder | <i>Cuscuta</i> spp. |
| 3. Field bindweed | <i>Convolvus arvensis</i> L. |
| 4. Hemp | <i>Marijuana</i> . |
| 5. <i>Cannabis Sativa</i> (known as True Hemp and in Swahili as Bhang or Bhangi). | |
| 6. <i>Erythrosylum Coca</i> (known as Cocaine plant). | |
| 7. Sudan grass—sorghum sudanese (Piper) Hitch. (in sorghum). | |

Class 2: Restricted Noxious Weed Seeds (Applicable to all tables of grade standards set out in the First Schedule to the Seeds Regulations, 1976).

The following are restricted noxious weed seeds:—

- | | |
|-------------------------|--|
| 1. Couch grass | <i>Digitaria scalarum</i> (Schweinf.) Chiov. |
| 2. Nutgrass, Watergrass | <i>Cyperus</i> spp. |
| 3. Thorn apple | <i>Datura spramondum</i> L. |
| 4. Perennial sowthistle | <i>Sonchus arvensis</i> L. |
| 5. Wild mustard | <i>Brassica campestris</i> L. |
| 6. Wild oats | <i>Avena</i> spp. |
| 7. Mexican poppy | <i>Argemone mexlacana</i> L. |
| 8. Darnel | <i>Lolium temulentum</i> L. |
| 9. Guinea-fowl grass | <i>Rottboelia exaltata</i> L.f. |
| 10. Love grass | <i>Setaria verticillata</i> (L.) Beauv. |
| 11. Wild rice | <i>Oryza barthii</i> A. Chev. |

The presence of restricted noxious weed seeds in any sample of seed shall be restricted. Where any restricted noxious weed seeds are found in any sample of seed the maximum allowed shall not exceed four weed seeds per kilogram, whether the four weed seeds are of the same kind or a combination of two or more kinds of weed seeds, and the name and number of each kind must be stated on the label.

Class 3: Common Noxious Weed Seeds (Applicable to all tables of grade standards set out in the First Schedule to the Seeds Regulations, 1976).

Common noxious weed seeds are seeds, bulblets or tubers or pieces thereof specified as weed seeds under the Seeds (Regulation of Standards) Act, 1973 or recognized as weed seeds by general usage. The presence of common noxious weed seeds in any sample of seed shall be restricted. Where any common noxious weed seeds are found in any sample of seed the maximum allowed shall not exceed 1.5% by weight.

Common noxious weed seeds include, but not restricted to, the following seeds:—

- | | |
|---------------------------------|---|
| 1. Cleavers | <i>Galium spurium</i> L. |
| 2. Dock | <i>Rumex crispus</i> L. |
| 3. Chickweed | <i>Stellaria media</i> (L.) Vill. |
| 4. Mexican marigold | <i>Tagetes minuta</i> L. |
| 5. Chinese lantern | <i>Nicandra physalodes</i> (L.) Gaertn. |
| 6. Oxalis | <i>Oxalis latifolia</i> H.B.K. |
| 7. Blackjack | <i>Bidens pilosa</i> L. |
| 8. Pigweed | <i>Amaranthus</i> spp. |
| 9. Goosefoot | <i>Chenopodium</i> spp. |
| 10. Crabgrass | <i>Digitaria velutina</i> (Forsk.) Beauv. |
| 11. Macdonaldi, Gallant soldier | <i>Galinsoga parviflora</i> Cav. |
