- (iv) if after the termination of a lease referred to in the said paragraph (bA) the former lessee is required to pay a consideration in respect of his right to use, enjoy or deal with the property in question but ceases to pay such consideration or, in the case of a lease referred to in subparagraph (ii) of the said paragraph (bA), pays a consideration in respect of such right which is nominal in relation to the fair market value of the property, the said lease shall be deemed to have been terminated on the date from which the former lessee is no longer required to pay such consideration or in the case of a lease referred to in the said subparagraph (ii), whereafter the consideration payable by him becomes nominal as aforesaid;

## **8A Gains made by directors of companies or by employees in respect of rights to acquire marketable securities**

### **Cases**

(1) (a) There shall be included in the taxpayer's income for the year of assessment the amount of any gain made by the taxpayer after the first day of June, 1969, by the exercise, cession or release during such year of any right to acquire any marketable security (whether such right be exercised, ceded or released in whole or part), if such right was obtained by the taxpayer before 26 October 2004 as a director or former director of any company or in respect of services rendered or to be rendered by him as an employee to an employer.

[Para. (a) substituted by s. 7 of Act 32 of 2004.]

(b) Where the taxpayer has exercised such right but, by reason of a condition imposed by the said company or employer or the grantor of the right, the taxpayer is not entitled to dispose of the marketable security until after the end of the said year of assessment, the gain made by the exercise of the right shall, if the taxpayer makes an election as provided in paragraph (c), not be included in his income for such year of assessment but shall be included in his income for the year of assessment during which he becomes entitled to dispose of the marketable security: Provided that in the event of the taxpayer's death or insolvency before he becomes entitled to dispose of the marketable security the said gain shall be deemed to have been made by him on the day before the date of his death or insolvency, as the case may be, and shall be assessed accordingly.

[Para. (b) substituted by s. 8 (a) of Act 88 of 1971.]

(c) The taxpayer may, in the circumstances contemplated in paragraph (b), elect that the provisions of that paragraph shall apply in respect of the gain referred to in that paragraph, and such election shall be in writing and shall be furnished to the Commissioner not later than the date on which the taxpayer's return of income is furnished for the year of assessment referred to in paragraph (a), or within such further time as the Commissioner may allow.

(2) For the purposes of this section-

- (a) a gain shall be deemed to have been made by the taxpayer by the exercise of a right to acquire any marketable security if the amount by which the market value of such marketable security at the time such right was exercised exceeds the consideration given by the taxpayer for such marketable security and any consideration given by him for such right or the grant of such right: Provided that such market value shall for the purpose of this paragraph be deemed to be the sum which a person having the right freely to dispose of such marketable security might reasonably expect to obtain from a sale of such marketable security in the open market;
- (b) where the taxpayer for a consideration accepts a restriction upon his right to acquire any marketable security such right shall be deemed to be released in part;
- (c) where any gain is made by the exercise, cession or release of a right to acquire any marketable security, such gain shall be deemed to be made at the time when such right is exercised, ceded or released, as the case may be.

(3) The amount to be included in the taxpayer's income in respect of any gain referred to in subsection (1) shall be-

- (a) where such gain is made by the exercise of a right to obtain any marketable security, the amount referred to in subsection (2) (a); or
- (b) where such gain is made by the cession or release of a right to obtain any marketable security, the amount by which the amount or value of the consideration received by or accrued to the taxpayer for the cession or release, exceeds the amount or value of any

consideration given by the taxpayer for such right or the grant of such right.

(4) In determining under subsections (2) (a) and (3) whether any gain has been made by the exercise, cession or release of a right to obtain any marketable security, and in determining the amount of such gain-

- (a) where any consideration was given by the taxpayer for such right or the grant of such right and the right is exercised, ceded or released in part only or the consideration was given for something in addition to the right, only the portion of such consideration which relates to so much of the right as is exercised, ceded or released, as the case may be, shall be deductible and for that purpose a fair apportionment of such consideration shall be made; and
- (b) no deduction shall be made in respect of any consideration in the form of services rendered or to be rendered or anything done or to be done or not to be done.

(5) Where any right (hereinafter referred to as the first right) to acquire any marketable security is ceded or released by the taxpayer in whole or in part for a consideration which consists of or includes another right (hereinafter referred to as the second right) to acquire such marketable security or any other marketable security-

- (a) the second right shall for the purposes of this section not be deemed to be consideration for the cession or release of the first right; and
- (b) any gain made by the taxpayer by the exercise, cession or release of the second right, shall be determined and included in the taxpayer's income as though such gain had been made by the exercise, cession or release of the first right, and for the purpose of determining such gain, the amount to be deducted under subsection (2) (a) or (3) in respect of the amount or value of the consideration given by the taxpayer for the second right shall be deemed to be the consideration given by the taxpayer for the first right or the grant of such right, less so much of the amount or value of that consideration as has been offset by any consideration other than the consideration consisting of the second right.

[Para. (b) substituted by s. 8 (b) of Act 88 of 1971.]

(6) For the purposes of this section, a gain made by any person other than the taxpayer by the exercise, cession or release of a right to acquire any marketable security shall be deemed to be made by the taxpayer and shall be included in the taxpayer's income as though it were a gain referred to in subsection (1)-

- (a) if that right was originally obtained by any person other than the taxpayer by reason of the taxpayer's office or former office as a director of any company or any services rendered or to be rendered by the taxpayer as an employee of any employer; or
- (b) if that right was originally obtained by the taxpayer as a director or former director of any company or in respect of services rendered or to be rendered by him as an employee to an employer, and-
  - (i) the right was ceded by the taxpayer to any person otherwise than by or under a cession made by way of a bargain at arm's length; or
  - (ii) the gain was made by a relative of the taxpayer.

[Sub-s. (6) substituted by s. 8 (c) of Act 88 of 1971.]

(7) The provisions of subsections (2), (3), (4) and (5) shall *mutatis mutandis* apply in relation to the determination of any gain referred to in subsection (6).

(8) Where any gain is made after the first day of June, 1969, by the exercise, cession or release of a right to acquire any marketable security granted to any person on or before that date, the amount required to be included in income under this section in respect of such gain shall be reduced by an amount which bears to the amount of the gain, as determined under the preceding provisions of this section, the same ratio as the exemption period, as determined under subsection (9) in relation to the said gain, bears to the accrual period, as so determined.

[Sub-s. (8) substituted by s. 8 (1) of Act 52 of 1970.]

(9) For the purposes of determining any reduction to be made under subsection (8) in respect of any gain made by the exercise, cession or release or any right to acquire any marketable security-

- (a) the exemption period shall be deemed to be the period commencing on the date on which the person referred to in subsection (8) was granted such right and ending on the first day of June, 1969; and

- (b) the accrual period shall be deemed to be the period commencing on the first day of the exemption period and ending on the date on which such right is exercised, ceded or released, as the case may be.

(10) For the purposes of this section 'marketable security' means any security, stock, debenture, share, option or other interest capable of being sold in a share-market or exchange or otherwise.

[S. 8A inserted by s. 11 of Act 89 of 1969.]

## **8B Taxation of amounts derived from broad-based employee share plan**

### **Cases**

(1) There must be included in the income of an employee for a year of assessment any amount received by or accrued to that employee during that year from the disposal of any qualifying equity share or any right or interest in a qualifying equity share, which-

- (a) was acquired by that employee in terms of a broad-based employee share plan; and  
 (b) is disposed of by that employee within five years from the date of grant of that qualifying equity share, otherwise than in exchange for another qualifying equity share as contemplated in subsection (2).

(2) If an employee as a result of a subdivision, consolidation, conversion or restructuring of the equity share capital of the employer or any company in the same group of companies as that employer disposes of a qualifying equity share in exchange solely for any other equity share in that employer or any company in the same group of companies as the employer, that other equity instrument acquired in exchange is deemed to be a qualifying equity share which was acquired by that employee on the date of grant of the qualifying equity share disposed of in exchange.

(3) For the purposes of this section-

'broad-based employee share plan' of an employer means a plan in terms of which-

- (a) equity shares in that employer, or in a company in the same group of companies as the employer, are acquired by employees of that employer, for consideration which does not exceed the minimum consideration required by the Companies Act, 1973 (Act 61 of 1973);  
 (b) employees who participate in any other equity scheme of that employer or of a company in the same group of companies as that employer are not entitled to participate and where at least 90 per cent of all other employees who are employed by that employer on a permanent basis on the date of grant (and who have continuously been so employed on a full-time basis for at least one year) are entitled to participate;  
 (c) the employees who acquire the equity shares are entitled to all dividends and full voting rights in relation to those equity shares; and  
 (d) no restrictions have been imposed in respect of the disposal of those equity shares, other than-

- (i) a restriction imposed by legislation;  
 (ii) a right of any person to acquire those equity shares from the employee at market value; or  
 (iii) a restriction in terms of which that employee may not dispose of those equity shares for a period, which may not extend beyond five years from the date of grant;

'date of grant' in relation to an equity share means the date on which the granting of that equity share is approved by the directors or some other person or body of persons with comparable authority conferred under or by virtue of the memorandum and articles of association of the employer company;

'market value' in relation to an equity share means the price which could be obtained upon the sale of that equity share between a willing buyer and a willing seller dealing freely at arm's length in an open market and without having regard to any restrictions imposed in respect of that equity share;

'qualifying equity share' in relation to a person means an equity share acquired in a year of assessment in terms of a broad-based employee share plan, where the market value of all equity shares (as determined on the relevant date of grant of each equity share), which were acquired by that person in terms of that plan in that year and the two immediately preceding years of assessment, does not in aggregate exceed R9 000.

(4) The provisions of section 25 do not apply in respect of any amount received or accrued from the disposal of any qualifying equity share after the date of death of the person contemplated in subsection

(1).

[S. 8B inserted by s. 6 (1) of Act 104 of 1980, amended by s. 6 of Act 121 of 1984, repealed by s. 6 (1) of Act 101 of 1990 and inserted by s. 8 (1) of Act 32 of 2004.]

### **8C Taxation of directors and employees on vesting of equity instruments**

(1) (a) Notwithstanding section 9B and section 23 (m), a taxpayer must include in or deduct from his or her income for a year of assessment any gain or loss determined in terms of subsection (2) in respect of the vesting during that year of any equity instrument, if that equity instrument was acquired by that taxpayer by virtue of his or her employment or office of director of any company.

(b) This section does not apply in respect of any equity instrument which-

- (i) was acquired in exchange for the disposal of any other equity instrument which had already vested in terms of this section before that disposal; or
- (ii) constitutes a qualifying equity share contemplated in section 8B.

(2) (a) The gain to be included in the income of a taxpayer is-

- (i) in the case of a disposal contemplated in subsection (5) (c), the amount received or accrued in respect of that disposal which exceeds the sum of any consideration in respect of that equity instrument; or
- (ii) in any other case, the sum of-
  - (aa) the amount by which the market value of the equity instrument determined on the date on which it vests in that taxpayer exceeds the sum of any consideration in respect of that equity instrument; and
  - (bb) the amount (if any) determined in terms of subsection (4) (b).

(b) The loss to be deducted from the income of a taxpayer is-

- (i) in the case of a disposal contemplated in subsection (5) (c), the amount by which the sum of any consideration in respect of that equity instrument exceeds the amount received or accrued in respect of that disposal; or
- (ii) in any other case, the amount by which the consideration in respect of the equity instrument exceeds the market value of that equity instrument determined on the date that it vests in that taxpayer.

(3) An equity instrument acquired by a taxpayer is deemed for the purposes of this section to vest in that taxpayer-

- (a) in the case of the acquisition of an unrestricted equity instrument, at the time of that acquisition; or
- (b) in the case of the acquisition of a restricted equity instrument, at the earliest of-
  - (i) when all the restrictions, which result in that equity instrument being a restricted equity instrument, cease to have effect;
  - (ii) immediately before that taxpayer disposes of that restricted equity instrument, other than a disposal in respect of which subsection (4) or (5) applies;
  - (iii) when that equity instrument, which is an option contemplated in paragraph (a) of the definition of 'equity instrument', terminates; and
  - (iv) immediately before that taxpayer dies.

(4) (a) If a taxpayer disposes of a restricted equity instrument which was acquired in the manner contemplated in subsection (1) for a consideration which consists of or includes any other restricted equity instrument which is acquired from the employer, associated institution or other person by arrangement with the employer, that other restricted equity instrument acquired in exchange is deemed to be acquired by that taxpayer by virtue of his or her employment or office of director of any company.

(b) If the consideration contemplated in paragraph (a) includes an amount other than restricted equity instruments and that amount exceeds the consideration in respect of the restricted equity instrument which is disposed of as contemplated in paragraph (a), the excess amount must be deemed to be a gain which must be included in the income of the taxpayer in the year of assessment during which that restricted equity instrument is so disposed of.

(5) (a) If a restricted equity instrument which was acquired by a taxpayer in the manner contemplated in subsection (1) is disposed of by that taxpayer to any person-

- (i) otherwise than by or under a disposal made in terms of a transaction at arm's length; or
- (ii) who is a connected person in relation to that taxpayer,

the provisions of subsections (2), (3) and (4) apply *mutatis mutandis* in the determination of any gain or loss made by that person as if that person had been the taxpayer, and that gain or loss is for purposes of

subsection (1) deemed to be made by that taxpayer in respect of the vesting of that equity instrument.

(b) If an equity instrument was acquired by any person other than the taxpayer by virtue of the taxpayer's employment or office of director, that equity instrument must, for purposes of this section, be deemed to have been so acquired by that taxpayer and disposed of to that person in the manner contemplated in paragraph (a).

(c) Paragraph (a) does not apply where a taxpayer disposes of any restricted equity instrument to his or her employer, an associated institution or other person by arrangement with the employer in terms of a restriction imposed in relation to that equity instrument for an amount not exceeding the consideration in respect of that restricted equity instrument.

(6) If a person who acquires a restricted equity instrument from the taxpayer as contemplated in subsection (5), disposes of that restricted equity instrument to any other person in the manner contemplated in subsection (5) (a) (i) or to a connected person in relation to the taxpayer, subsection (5) applies in respect of that other person as if he or she had acquired that restricted equity instrument directly from that taxpayer.

- (c) by any person contemplated in subsection (5) in respect of that equity instrument or other equity instrument contemplated in paragraph (b), which would have been taken into account had it been given by the taxpayer in respect of that equity instrument or other equity instrument, but does not include any amount given or to be given by that person to the taxpayer or to any other person contemplated in subsection (5):

Provided that where a taxpayer acquires an equity instrument in exchange for any other equity instrument, as contemplated in subsection (4) (a), the market value of the equity instrument given in exchange must not be taken into account in determining the consideration in respect of the equity instrument so acquired;

'employer' means an employer as contemplated in paragraph 1 of the Seventh Schedule;

'equity instrument' means a share or part thereof in the equity share capital of a company or a member's interest in a company which is a close corporation, and includes-

- (a) which is subject to any restriction (other than a restriction imposed by legislation) that prevents the taxpayer from freely disposing of that equity instrument at market value;
- (b) which is subject to any restriction that could result in the taxpayer forfeiting ownership of that equity instrument otherwise than at market value;
- (c) if any person has retained the right to impose a restriction contemplated in paragraph (a) or (b) on the disposal of that equity instrument;
- (d) which is an option contemplated in paragraph (a) of the definition of 'equity instrument' and where the equity instrument which can be acquired in terms of that option will be a restricted equity instrument;
- (e) which is a financial instrument contemplated in paragraph (b) of the definition of 'equity instrument' and where the equity instrument to which that financial instrument can be converted will be a restricted equity instrument; or

- (f) if the employer, associated institution in relation to the employer or other person by arrangement with the employer has at the time of acquisition by the taxpayer of the equity instrument undertaken to-
- (i) cancel the transaction under which that taxpayer acquired the equity instrument; or
  - (ii) repurchase that equity instrument from that taxpayer at a price exceeding its market value on the date of repurchase, if there is a decline in the value of the equity instrument after that acquisition; and

'unrestricted equity instrument' means an equity instrument which is not a restricted equity instrument.

(b) Subject to the provisions of paragraph (a), where any annuity contract is varied as to the payment of any annuity or consideration payable thereunder, the capital element of annuity amounts becoming due thereunder after such variation is effected shall, with due regard to the provisions of subsection (5), be re-calculated by the statutory actuary of the insurer concerned.

(8) The Commissioner shall, when making an assessment upon the taxpayer concerned for the year of assessment during which there has become payable the first annuity amount affected by a calculation referred to in subsection (4) or a re-calculation referred to in subsection (6) (b), determine the capital element of annuity amounts received or accrued during such year and affected by such calculation or re-calculation, as the case may be, in accordance with such calculation or re-calculation or, if the Commissioner is dissatisfied with such calculation or re-calculation or is in doubt as to the correctness thereof, or if no such calculation or re-calculation has been made, he may, having regard to any calculation or re-calculation of the capital element made by a practising actuary at his request or at the request of the taxpayer, calculate or re-calculate the capital element and determine the capital element of the said annuity amounts accordingly.

(9) Any decision of the Commissioner in the exercise of his discretion under the provisions of subsection (8) shall, in respect of a year of assessment referred to in that subsection, be subject to objection and appeal.

(10) Subject to the provisions of section 79, the final calculation or re-calculation of the capital element as made in relation to the year of assessment referred to in subsection (8) shall, subject to the provisions of subsection (6) (b), be final and conclusive and shall apply in respect of all relevant annuity amounts which become due to any person under the annuity contract in question in any succeeding years of assessment.

(4) For the purposes of this section the cost to a person of any aircraft shall be deemed to be the lesser of the actual cost to such person or the cost which a person would have incurred in respect of the direct cost of acquisition of the aircraft if he had acquired the aircraft under a cash transaction concluded at arm's length on the date on which the transaction for the acquisition of the aircraft concerned was in fact concluded.

[Sub-s. (4) added by s. 15 (d) of Act 141 of 1992.]

(1) For the purposes of this section-

'employee' includes the holder of any office;

'leave pay' means any amount which a taxpayer has during any year of assessment become liable to pay to his employee in consequence of the employee having during such year become entitled to any period of leave which had not been taken by him during that year;

'leave pay provision' means an amount equal to the lesser of-

- (a) the amount included in the taxpayer's income in terms of the provisions of subsection (5); and
- (b) an amount determined in relation to all periods of leave to which the taxpayer's employees were entitled as at the end of the last year of assessment of the taxpayer ending before 1 January 1994, and calculated by applying, in the case of each such employee, the employee's rate of earnings as at the end of such year to the period of leave to which such employee was so entitled.

(2) For the purposes of this Act, where in consequence of any leave to which an employee of the taxpayer became entitled during any year of assessment of the taxpayer ending on or after 1 January 1994, the taxpayer has become liable to pay any amount of leave pay -

- (a) the taxpayer shall be deemed not to have incurred expenditure in respect of such leave pay until it is actually paid by him or becomes due and payable by him; and
- (b) such leave pay shall be deemed to accrue to the employee concerned on the date upon which such expenditure is deemed to have been incurred by the taxpayer.

(3) Where any taxpayer has in any return of income submitted by him to the Commissioner before 1 March 1993 claimed a deduction of an amount determined in accordance with a practice consistently applied by him and in the *bonafide* belief that such amount constituted leave pay which was lawfully allowable as a deduction in the determination of his taxable income (whether such amount exceeds or is less than the amount which was lawfully deductible), there shall be allowed as a deduction in the determination of his taxable income for such year and for each subsequent year of assessment ending before 1 January 1994 an amount determined in accordance with the said practice: Provided that where in his return of income for any year of assessment ending before 1 January 1994 the taxpayer has amended such practice and the deduction determined in accordance with such amended practice is less than the deduction which would have been determined in accordance with his previous practice, the amount to be allowed as a deduction under this subsection in that year of assessment and in each subsequent year of assessment ending before 1 January 1994 shall be determined in accordance with such amended practice.

(4) Where in respect of any year of assessment of a taxpayer ending before 1 January 1994, the Commissioner has not prior to the date of commencement of the Income Tax Act, 1993, issued an assessment, a deduction in respect of leave pay shall not be granted for such year otherwise than as may be permitted under the provisions of subsection (3).

(5) There shall be included in the income of any taxpayer in his first year of assessment ending on or after 1 January 1994 the sum of all amounts allowed to be deducted in the determination of his taxable income in all years of assessment ending before that date in respect of leave pay relating to all periods of leave to which his employees were entitled at the end of the last year of assessment ending before the said date.

(6) Where an amount has under the provisions of subsection (5) been included in the income of any taxpayer, any amount of leave pay which becomes due and payable by him to an employee in respect

of any period of leave taken into account in the determination of such amount shall, notwithstanding the provisions of subsection (3), be allowed to be deducted from his income in the year of assessment during which such leave pay becomes due and payable.

(7) There shall in the case of any taxpayer to whom the provisions of subsection (5) are applicable, be allowed to be deducted in the determination of his taxable income for his first year of assessment ending on or after 1 January 1994 and for each of the four succeeding years of assessment (such succeeding years of assessment hereinafter being referred to as the second to fifth years, in chronological order) a deduction equal to-

- (a) in the said first year, 100 per cent;
- (b) in the second year, 85 per cent;
- (c) in the third year, 70 per cent;
- (d) in the fourth year, 50 per cent; and
- (e) in the fifth year, 25 per cent,

of the amount of the leave pay provision determined in relation to the taxpayer: Provided that-

- (i) the deduction so allowed in any year of assessment shall be included in the taxpayer's taxable income in the following year of assessment; and
- (ii) no deduction shall be allowed under this subsection if the taxpayer has during the current or any previous year of assessment commencing on or after 1 January 1994 ceased to carry on trade.

(8) Where-

- (a) any commercial or industrial undertaking has been acquired by one company from another company;
- (b) both such companies are managed, controlled or owned by substantially the same persons; and
- (c) the last-mentioned company contemplated in paragraph (a) is entitled to a deduction as contemplated in subsection (7),

the Commissioner may direct that, subject to such conditions as he may impose, the said two companies shall for the purposes of subsections (1), (3), (4), (5), (6) and (7) be regarded as being one company.

[Sub-s. (8) added by s. 2 (1) of Act 168 of 1993.]

### **23F Acquisition or disposal of trading stock**

(1) Where any taxpayer has during any year of assessment incurred expenditure for the acquisition of trading stock which was neither disposed of by him during such year nor held by him at the end of such year, any deduction which may be allowed to him under the provisions of section 11 (a) in respect of such expenditure shall not be allowed in such year, but such expenditure shall for the purposes of such provisions be deemed to have been incurred by him in the first subsequent year of assessment in which-

- (a) such trading stock is disposed of by him;
- (b) the value of such trading stock falls to be included in his income under the provisions of section 22 (1); or
- (c) it is shown by him that by reason of the loss or destruction of such trading stock or the termination of the agreement in terms of which such trading stock was acquired by him or for any other reason, such trading stock will neither be disposed of nor held by him, to the extent that such expenditure was actually paid.

[Para. (c) substituted by s. 28 (1) (a) of Act 59 of 2000.]

[Sub-s. (1) amended by s. 28 (1) (b) of Act 59 of 2000 and by s. 40 (a) of Act 45 of 2003.]

(2) Where a taxpayer has during any year of assessment disposed of any trading stock in the ordinary course of his or her trade for any consideration the full amount of which will not accrue to him or her during that year of assessment and any expenditure incurred in respect of the acquisition of that trading stock was allowed as a deduction under the provisions of section 11 (a) during that year or any previous year of assessment, any amount which would otherwise be deducted must, to the extent that it exceeds any amount received or accrued from the disposal of that trading stock be disregarded during that year of assessment.

[Sub-s. (2) amended by s. 40 (b) of Act 45 of 2003 and substituted by s. 21 (1) (a) of Act 32 of 2004.]

(2A) So much of any amount disregarded in terms of subsection (2) may be deducted from the income of that person in any subsequent year of assessment to the extent that any amount which is received

by or accrued to that person in that subsequent year from that disposal is included in the income of that person.

[Sub-s. (2A) inserted by s. 21 (1) (b) of Act 32 of 2004.]

(2B) If during any year of assessment a person contemplated in subsection (2) proves that no further amounts will accrue to him or her in that year and any subsequent year as contemplated in subsection (2A), so much of the amount which was disregarded in terms of subsection (2) as has not been allowed as a deduction in any year, must be allowed as a deduction from the income of that person in that year of assessment.

[Sub-s. (2B) inserted by s. 21 (1) (b) of Act 32 of 2004.]

(3) Where-

- (a) any taxpayer has during any year of assessment in the ordinary course of his trade disposed of any right or interest in any asset which constitutes trading stock which has the effect that the remaining right or interest in such asset held and not disposed of will not be included in trading stock at the end of such year; and
- (b) any expenditure incurred in respect of the acquisition of such asset was allowed as a deduction under the provisions of section 11 (a) or was otherwise taken into account during such year or any previous year of assessment,

[Para. (b) substituted by s. 40 (c) of Act 45 of 2003.]

there shall be deemed to have been recovered or recouped by such taxpayer and be included in the income of such taxpayer for such year of assessment, so much of such expenditure as relates to the remaining right or interest contemplated in paragraph (a).

- (b) such person or any connected person in relation to such person leases (whether directly or indirectly) such asset from such other person.

(2) Where the receipts or accruals of any person, who is a lessee or sublessee in relation to a sale and leaseback arrangement, do not for the purposes of this Act constitute income of such person-

- (a) any amount which is received by or accrues to any lessor in relation to such sale and leaseback arrangement, shall be limited to an amount which constitutes interest as contemplated in section 24J; and
- (b) such lessor shall, notwithstanding the provisions of this Act, not be entitled to any deduction in terms of section 11 (e), (f) or (gA), 12B, 12C or 13 in respect of an asset which is the subject matter of such sale and leaseback arrangement.

(3) Where the receipts or accruals of any person, who is a lessor in relation to a sale and leaseback arrangement, arising from such arrangement do not for the purposes of this Act constitute income of such person, any deduction to which a lessee or sublessee in relation to such sale and leaseback arrangement is entitled under the provisions of this Act shall, subject to the provisions of section 11 (f), be limited to an amount which constitutes interest as contemplated in section 24J.

(4) The provisions of subsection (2) (a) shall not apply to any person who is both a lessor and a lessee in relation to the same sale and leaseback arrangement during any year of assessment.

[S. 23G inserted by s. 16 (1) of Act 28 of 1997.]

### **23H Limitation of certain deductions**

(1) Where any person has during any year of assessment actually incurred any expenditure (other than expenditure incurred in respect of the acquisition of any trading stock)-

- (a) which is allowable as a deduction in terms of the provisions of section 11 (a), (c) or (d) or section 28 (2) (a) and (c); and

[Para. (a) substituted by s. 29 (1) of Act 59 of 2000.]

(b) in respect of-

- (i) goods or services, all of which will not be supplied or rendered to such person, during such year of assessment; or
- (ii) any other benefit, the period to which the expenditure relates extends beyond such year of assessment,

[Para. (b) substituted by s. 34 (1) (a) of Act 60 of 2001.]

the amount of the expenditure which shall be allowable as a deduction in terms of such section in the said year and any subsequent year of assessment, shall be limited to, in the case of expenditure incurred in respect of-

- (i) goods to be supplied, so much of the expenditure as relates to the goods actually supplied to such person in such year of assessment; or
- (ii) services to be rendered, an amount which bears to the total amount of such expenditure the same ratio as the number of months in such year during which such services are rendered bears to the total number of months during which such services will be rendered; or
- (iii) any other benefit to which such expenditure relates, an amount which bears to the total amount of such expenditure the same ratio as the number of months in such year during which such person will enjoy such benefit bears to the total number of months during which such person will enjoy such benefit or where the period of such benefit is not determinable, such period over which the benefit is likely to be enjoyed:

[Para. (iii) substituted by s. 34 (1) (b) of Act 60 of 2001.]

Provided that the provisions of this section shall not apply -

[Para. (aa) substituted by s. 34 (1) (c) of Act 60 of 2001.]

- (bb) where the aggregate of all amounts of expenditure incurred by such person, which would otherwise be limited by this section, does not exceed R50 000; or

- (dd) to any expenditure actually paid in respect of any unconditional liability to pay an amount imposed by legislation.

(2) If the Commissioner is in any case satisfied that the apportionment of the expenditure in accordance with subsection (1) does not reasonably represent a fair apportionment of such expenditure in respect of the goods, services or benefits to which it relates, he may direct that such apportionment be made in such other manner as to him appears fair and reasonable.

(3) Notwithstanding the provisions of subsections (1) and (2), where it is during any year of assessment shown by any person that-

- (a) the goods or services in respect of which the expenditure is incurred will never be received by or be rendered to such person; or
- (b) such person will never enjoy such other benefit in respect of which any expenditure is incurred,

[Para. (b) substituted by s. 34 (1) (d) of Act 60 of 2001.]

[Sub-s. (1) substituted by s. 17 (1) of Act 28 of 1997.]

(2) In the case of such an agreement in terms of which at least 25 per cent of the said amount payable only becomes due and payable on or after the expiry of a period of not less than 12 months after the date of the said agreement, the Commissioner, taking into consideration any allowance he has made

under section 11 (j), may make such further allowance as under the special circumstances of the trade of the taxpayer seems to him reasonable, in respect of all amounts which are deemed to have accrued under such agreements but which have not been received at the close of the taxpayer's accounting period: Provided that any allowance so made shall be included as income in the taxpayer's returns for the following year of assessment and shall form part of his income.

(3) Where-

- (a) any taxpayer has in respect of his latest year of assessment ended before 1 January 1986 in good faith claimed an allowance under this section as applicable in that year;

- (b) in respect of the said second year, 60 per cent;
- (c) in respect of the said third year, 40 per cent; and
- (d) in respect of the said fourth year, 20 per cent,

of an amount equal to the lesser of the allowance contemplated in subsection (3) (b) and so much of any allowance which, but for the amendment referred to in subsection (3) (c), would have been granted under subsection (2) in respect of the relevant year but which may in consequence of such amendment not be granted.

(5) Where any taxpayer was in respect of his last year of assessment ended on or before 6 May 1989 entitled to an allowance under subsection (2) in respect of any class of property sold by him in the course of his trade but is in consequence of his compliance with any regulation promulgated in terms of section 3 of the Credit Agreements Act, 1980 (Act 75 of 1980), no longer entitled to such allowance in respect of that class of property, there shall be allowed to be deducted from the income of the taxpayer for his first year of assessment immediately following such last year and each of the three succeeding years of assessment (such succeeding years being referred to hereinafter as the second, third and fourth years, in chronological order) an allowance calculated in accordance with the provisions of subsection (6): Provided that-

- (a) any deduction so allowed shall be included in the taxpayer's income in the following year of assessment; and
- (b) no deduction shall be made under this subsection-
  - (i) if the taxpayer has during the current or any previous year of assessment ceased to trade with that class of property; or
  - (ii) in any year of assessment during which the taxpayer is, in consequence of the amendment or repeal of any such regulation, once again entitled to claim an allowance under subsection (2) in respect of that class of property.

[Sub-s. (5) added by s. 23 of Act 101 of 1990.]

(6) The allowance under subsection (5) shall be-

- (d) in respect of the said fourth year, 20 per cent,

of the allowance granted to the taxpayer under this section in respect of his last year of assessment referred to in subsection (5): Provided that the allowance which may be granted in the said first year, shall be reduced by any allowance to which the taxpayer is entitled in that year under the provisions of subsection (2) in respect of that class of property.

[Sub-s. (6) added by s. 23 of Act 101 of 1990.]

[S. 24 amended by s. 22 of Act 89 of 1969, by s. 21 of Act 94 of 1983 and by s. 14 of Act 96 of 1985 and substituted by s. 16 (1) of Act 65 of 1986.]

(1) If, under any transaction entered into before 1 October 2001 for the disposal by any person (hereinafter referred to as the trader) of any trading stock consisting of fixed property or any shares in any company, the consideration received by or accrued to the trader for such trading stock in effect consists of or includes-

- (b) company shares quoted by a recognized stock exchange at the time of such transaction or within six months thereafter; or
- (c) shares in any other company, if such shares are, under a scheme for the consolidation or merger of the interests of two or more persons, issued or transferred to the trader,

the value of the shares which constitute or are included in such consideration shall, if the trader and the Commissioner agree thereto, be excluded from the trader's income for the year of assessment during which such consideration is received by or accrues to him.

[Sub-s. (1) amended by s. 35 of Act 60 of 2001.]

(2) For the purposes of this Act-

- (a) the shares which constitute or are included in the said consideration and any capitalization shares issued in respect of such shares (which shares and capitalization shares are hereinafter referred to as new trading stock) shall be deemed to be trading stock of the trader; and

[Para. (a) amended by s. 24 of Act 85 of 1974.]

- (b) the cost price to the trader of the shares which constitute or are included in the said consideration shall be deemed to be the cost to him of the trading stock referred to in subsection (1) or, if such last-mentioned trading stock was held by him and had not been disposed of by him at the beginning of the year of assessment, the amount taken into account under section 22 (2) as the value thereof, less an amount which bears to the said cost or the amount so taken into account, as the case may be, the same ratio as the value of such portion (if any) of the said consideration as does not consist of the said shares bears to the total value of the said consideration (including the said shares).

(3) Any amount (including the value of any benefit or advantage) which is received by or accrues to the trader from the disposal of new trading stock (or a portion thereof) shall be included in the trader's income, whether such amount is derived in carrying on any trade or otherwise or is derived from a source within or outside the Republic: Provided that the provisions of this subsection shall not be construed so as to prevent the provisions of subsection (1) being applied in respect of such amount.

### **37 Calculation of capital expenditure on sale, transfer, lease or cession of mining property**

#### **■ Cases**

(1) For the purposes of this Act, but subject to subsection (1A), whenever a taxpayer-

- (a) sells, transfers, leases or cedes any mining property; and
- (b) disposes of any assets contemplated in section 36 (11) (hereinafter referred to as 'the capital assets') in consequence of the sale, transfer, lease or cession contemplated in paragraph (a),

the person acquiring those capital assets shall be deemed to have acquired such capital assets at a cost equal to the effective value of those capital assets to that person on the effective date of that agreement of sale, transfer, lease or cession of the mining property, and the said cost shall be deemed to be expenditure that is incurred by that person during the period of assessment during which that agreement takes effect and to be capital expenditure which is in respect of such period required to be taken into account for the purposes of the definition of 'capital expenditure incurred' in section 36 (11).

(1A) Where any consideration is given by the person acquiring the assets disposed of by the taxpayer, as contemplated in subsection (1), and the effective value of all those assets (including any mining property) so acquired, exceeds that consideration, the amount of the cost and expenditure in respect of the capital assets shall, for the purposes of subsection (1), be deemed to be an amount which bears to the total amount of such consideration the same ratio as such effective value of those capital assets bears to the effective value to that person of all the assets (including any mining property) so disposed of to that person.

(2) For the purposes of paragraph (j) of the definition of 'gross income' in section 1 and section 36, the taxpayer who disposes of any capital assets contemplated in subsection (1), shall be deemed to have disposed of such capital assets for a consideration equal in value to the cost of those capital assets to the person acquiring such capital assets as determined under subsection (1) and (1A), and such consideration shall be deemed to have been received by or to have accrued to the said taxpayer on the effective date of the agreement of sale, transfer, lease or cession.

(3) If the value of the consideration given or the value of the property disposed of is in dispute, the value may, be fixed by the Commissioner and shall be determined-

- (a) in the case of any mining property, in the same manner as if transfer duty were payable; or

the disposal of that asset to that company contemplated in paragraph (a) must, to the extent that any equity shares are issued by the company to that person, be deemed to be a disposal in terms of a company formation transaction for purposes of this section, and to the extent that such person becomes entitled to any other consideration, as contemplated in paragraph (b), be deemed to be a disposal of part of that asset other than in terms of a company formation transaction, in which case the amount to be determined in respect of-

- (i) in the case of a disposal of a capital asset, the base cost of that asset at the time of that disposal;
- (ii) in the case of a disposal of an allowance asset, the amount of the allowances allowed to that person in respect of that asset; or
- (iii) in the case of the disposal of an asset that constitutes trading stock, the amount taken into account in respect of that asset in terms of section 11 (a) or 22 (1) or (2),

that must be attributed to the part of the asset deemed to have been disposed of other than in terms of a company formation transaction, must bear the same ratio to the respective amounts referred to in subparagraphs (i) to (iii) as the market value of the consideration not consisting of equity shares issued by that company bears to the market value of the total consideration in respect of that asset.

[Sub-s. (4) amended by s. 50 (1) (e) and (g) of Act 45 of 2003.]

(5) Where a person-

- (a) acquired any equity share in a company in terms of a company formation transaction; and
- (b) disposes of any such equity share (other than by way of an intra-group transaction contemplated in section 45, an unbundling transaction contemplated in section 46 or a liquidation distribution contemplated in section 47, an involuntary disposal as contemplated in paragraph 65 of the Eighth Schedule or the death of that person) within a period of 18 months after the date of acquisition contemplated in paragraph (a) and immediately prior to that disposal more than 50 per cent of the market value of all the assets disposed of by that person to that company in terms of any transaction in respect of which the provisions of this Part apply, is attributable to allowance assets or trading stock or both,

that person must be deemed to have disposed of that share as trading stock.

(6) Where a person disposed of any asset in terms of a company formation transaction and that person ceases to hold a qualifying interest in that company, as contemplated in paragraph (b) of the definition of 'qualifying interest', within a period of 18 months after the date of the disposal of that asset (whether or not by way of the disposal of any shares in that company), that person must for purposes of subsection (5), section 22 or the Eighth Schedule be deemed to have-

- (a) disposed of all the equity shares acquired in terms of that company formation transaction that are still held immediately after that person ceased to hold such a qualifying interest, for an amount equal to the market value of those equity shares as at the beginning of that period of 18 months; and

[Para. (a) substituted by s. 50 (1) (h) of Act 45 of 2003.]

- (b) immediately reacquired all the equity shares contemplated in paragraph (a) at a cost equal to the amount contemplated in that paragraph:

[Para. (b) substituted by s. 50 (1) (h) of Act 45 of 2003.]

Provided that the provisions of this subsection do not apply where that person ceases to hold a qualifying interest in that company in terms of an intra-group transaction contemplated in section 45, an unbundling transaction contemplated in section 46 or a liquidation distribution contemplated in section 47, an involuntary disposal as contemplated in paragraph 65 of the Eighth Schedule or a disposal that would have constituted an involuntary disposal as contemplated in that paragraph had that asset not been a financial instrument, or as the result of the death of that person.

[Sub-s. (6) amended by s. 50 (1) (h) of Act 45 of 2003.]

(7) Where a company disposes of an asset within a period of 18 months after acquiring that asset in terms of a company formation transaction, and-

- (a) that asset constitutes a capital asset, so much of any capital gain determined in respect of the disposal of that asset as does not exceed the amount that would have been determined had that asset been disposed of at the beginning of that period of 18 months for proceeds equal to the market value of that asset as at that date, may not be taken into account in determining any net capital gain or assessed capital loss of that company but is subject to

paragraph 10 of the Eighth Schedule for purpose of determining an amount of taxable capital gain derived from that gain, which taxable capital gain may not be set off against any assessed loss or balance of assessed loss of that company; or

- (b) that asset constitutes-
- (i) trading stock in the hands of that company, so much of the amount received or accrued in respect of the disposal of that trading stock as does not exceed the market value of that trading stock as at the beginning of that period of 18 months and so much of the amount taken into account in respect of that trading stock in terms of section 11 (a) or 22 (1) or (2) as is equal to the amount so taken into account in terms of subsection (2) (b); or
  - (ii) an allowance asset in the hands of that company, so much of any allowance in respect of that asset that is recovered or recouped by or included in the income of that company as a result of that disposal as does not exceed the amount that would have been recovered had that asset been disposed of at the beginning of that period of 18 months for an amount equal to the market value of that asset as at that date,

must be deemed to be attributable to a separate trade carried on by that company, the taxable income from which trade may not be set off against any assessed loss or balance of assessed loss of that company.

(8) Where a person disposes of-

- (a) any asset which secures any debt (other than a debt contemplated in paragraph 20 (3) (c) of the Eighth Schedule) to a company in terms of a company formation transaction and that debt was incurred by that person-
  - (i) more than 18 months before that disposal; or
  - (ii) within a period of 18 months before that disposal-
    - (aa) and that debt was incurred at the same time as that asset was acquired by that person; or
    - (bb) to the extent that debt constitutes the refinancing of any debt in respect of that asset incurred as contemplated in subparagraph (i) or item (aa) of subparagraph (ii),
 and that company assumes that debt or an equivalent amount of debt that is secured by that asset; or
- (b) any business undertaking as a going concern to a company in terms of a company formation transaction and that disposal includes any amount of any debt that is attributable to, and arose in the normal course of that business undertaking (other than any debt that has been taken into account as contemplated in paragraph 20 (3) (c) of the Eighth Schedule in determining the base cost of any asset so disposed of as part of that business undertaking),

that person must, upon the disposal of any equity share acquired in terms of that company formation transaction and notwithstanding the fact that that person may be liable as surety for the payment of the debt referred to in subparagraph (a) or (b), treat so much of the face value of that debt as relates to that equity share, as a capital distribution of cash in respect of that equity share, for the purposes of paragraph 76 of the Eighth Schedule, where that equity share is held as a capital asset or, where that equity share is held as trading stock, as income to be included in that person's income.

[Sub-s. (8) amended by s. 50 (1) (i) of Act 45 of 2003.]

(9) No election may be made in terms of paragraph (c) of the definition of 'company formation transaction' in subsection (1) in respect of the disposal of any asset by a person, where that asset constitutes a financial instrument, unless-

- (a) that financial instrument constitutes a debt due to that person in respect of goods sold or services rendered by that person in the course of carrying on any business where the amount of that debt is or was included in the income of that person and that debt is transferred as an integral part of a going concern; or
- (b) the total market value immediately prior to that disposal of all financial instruments so disposed of (other than financial instruments contemplated in paragraph (a)), does not exceed five per cent of the total market value of all assets of any business which is transferred as a going concern; or
- (c) that financial instrument is being transferred to any company that is-

- (i) a bank regulated in terms of the Banks Act, 1990 (Act 94 of 1990);
- (ii) an authorised user regulated in terms of the Securities Services Act, 2004;
- (iii) an insurer regulated in terms of the Long Term Insurance Act, 1998 (Act 52 of 1998);

- (vi) a collective investment scheme regulated in terms of the Unit Trusts Control Act, 1981 (Act 54 of 1981), or its successor the Collective Investment Schemes Control Act, 2002 (Act 45 of 2002).

[Para. (c) substituted by s. 33 (1) of Act 32 of 2004.]

[Sub-s. (9) amended by s. 50 (1) (j) of Act 45 of 2003.]

(10) No election may be made in terms of paragraph (c) of the definition of 'company formation transaction' in subsection (1) in respect of the disposal of any asset by a company where that asset was acquired by that company in terms of any company formation transaction, unless that asset was held by that company for a period of more than 18 months after that company formation transaction.

    - (aa) more than 25 per cent of the equity shares of that target company, in the case where no other shareholder holds an equal or greater amount of equity shares of that target company; or
    - (bb) in any other case, at least 35 per cent of the equity shares of the target company; or
  - (ii) where the target company is not a company as contemplated in subparagraph (i), after that disposal holds more than 50 per cent of the equity shares of the target company; and

- (A) capital assets, be treated as an expenditure actually incurred and paid by that person in respect of those equity shares for the purposes of paragraph 20 of the Eighth Schedule; and
- (B) trading stock, be treated as the amount to be taken into account by that person in respect of those equity shares for the purposes of section 11 (a) or 22 (1) or (2); or
- (bb) where that target share is so disposed of as trading stock and those equity shares are acquired as trading stock, for a cost equal to the amount referred to in subparagraph (ii) of paragraph (a) of the definition of 'share-for-share transaction', which cost must be treated as the amount to be taken into account by that person in respect of those equity shares for purposes of section 11 (a) or 22 (1) or (2); and
- (b) the acquiring company must, where the target company is a listed company and the listed equity shares in that company were acquired by the acquiring company from any shareholder who does not hold more than 25 per cent of the equity share capital of the acquiring company after any transaction referred to in paragraph (c) (i) of the definition of 'share-for-share transaction', be deemed to have acquired those equity shares at a cost equal to the market value of those equity shares; or
- (c) that person and the acquiring company must, in any other case, for purposes of determining-
- (i) any taxable income derived by the acquiring company from a trade carried on by it; or
- (ii) any capital gain or capital loss in respect of a disposal of that equity share by the acquiring company,
- be deemed to be one and the same person with respect to-
- (aa) where that share is acquired by the acquiring company as a capital asset from that person who disposes of it as a capital asset -
- (A) the date of acquisition of that share by that person and the amount and date of incurral by that person of any expenditure in respect of that share allowable in terms of paragraph 20 of the Eighth Schedule; and

the disposal of that share to the acquiring company contemplated in paragraph (a) must, to the extent that any equity shares are issued by the acquiring company to that person, be deemed to be a disposal in terms of a share-for-share transaction for purposes of this section, and to the extent that such person becomes entitled to any other consideration, as contemplated in paragraph (b), be deemed to be a disposal of part of that share other than in terms of a share-for-share transaction, in which case the amount to be determined in respect of-

- (i) in the case of a disposal of a share as a capital asset, the base cost of that share at the time of that disposal; or
- (ii) in the case of the disposal of a share as trading stock, the amount taken into account in respect of that share in terms of section 11 (a) or 22 (1) or (2),

that must be attributed to the part of the share deemed to have been disposed of other than in terms of a share-for-share transaction, must bear the same ratio to the respective amounts contemplated in subparagraph (i) or (ii) as the market value of the consideration not consisting of equity shares issued by the acquiring company bears to the market value of the total consideration in respect of that share.

[Sub-s. (3) amended by s. 51 (1) (e) of Act 45 of 2003.]

(4) Where a person disposed of a target share in terms of a share-for-share transaction and that person ceases to hold a qualifying interest in the acquiring company within a period of 18 months after the date of the disposal of that share (whether or not by way of the disposal of any shares in the acquiring company), that person must for purposes of section 22 or the Eighth Schedule be deemed to have-

Provided that the provisions of this subsection do not apply where that person ceases to hold a qualifying interest in the acquiring company in terms of an intra-group transaction contemplated in section 45, an unbundling transaction contemplated in section 46, an involuntary disposal as contemplated in paragraph 65 of the Eighth Schedule or a disposal that would have constituted an involuntary disposal as contemplated in that paragraph had that asset not been a financial instrument, or as the result of the death of that person.

[Sub-s. (4) substituted by s. 51 (1) (f) of Act 45 of 2003.]

(5) Where an acquiring company acquired any target share in terms of a share-for-share transaction and that acquiring company ceases to hold an interest in the target company, as contemplated in paragraph (c) of the definition of 'share-for-share transaction' in subsection (1), within a period of 18 months after so acquiring that share (whether or not by way of the disposal of any target shares), that acquiring company must for purposes of section 22 or the Eighth Schedule be deemed to have-

- (a) disposed of all the target shares acquired in terms of that share-for-share transaction that are still held immediately after that acquiring company ceased to hold such an interest, for an amount equal to the market value of those target shares as at the beginning of that period of 18 months; and

[Sub-s. (5) substituted by s. 51 (1) (g) of Act 45 of 2003.]

(6) Where an acquiring company disposes of a target share within a period of 18 months after acquiring that share in terms of a share-for-share transaction and-

- (b) that share constitutes trading stock in the hands of that company, so much of the amount received or accrued in respect of the disposal of that trading stock as does not exceed the market value of that trading stock as at the beginning of that period of 18 months and so much of the amount taken into account in respect of that trading stock under section 11 (a) or 22 (1) or (2) as is equal to the amount so taken into account in terms of subsection (2) (b) or (c) must be deemed to be attributable to a separate trade carried on by that company, the taxable income from which trade may not be set off against any assessed loss or balance of assessed loss of that company.

[Definition of 'amalgamation transaction' amended by s. 52 (1) (b) of Act 45 of 2003.]

- (b) a contract to a resultant company as part of a disposal of a business as a going concern in terms of an amalgamation transaction and that contract imposes an obligation on that amalgamated company in respect of which an allowance in terms of section 24C was allowable to that amalgamated company for the year preceding that in which that contract is transferred or would have been allowable to that amalgamated company for the year of that transfer had that contract not been so transferred-

must be deemed to be attributable to a separate trade carried on by that resultant company, the taxable income or assessed loss from which trade may not be set off against or added to any assessed loss or balance of assessed loss of that resultant company.

(6) Subject to subsection (7), where a person (other than a trust which is not a special trust) disposes of any equity share in an amalgamated company, the market value of which share exceeds-

- (a) in the case of a share held as a capital asset, the base cost of that share on the date of that disposal; or
- (b) in the case of a share held as trading stock, the amount taken into account in respect of that share in terms of section 11 (a) or 22 (1) or (2),

- (bb) acquired the equity share or shares in that resultant company on the date that such person acquired that equity share in the amalgamated company and for a cost equal to any expenditure in respect of that equity share in the amalgamated company incurred by that person that is allowable in terms of paragraph 20 of the Eighth Schedule or taken into account in terms of section 11 (a) or 22 (1) or (2), as the case may be, and to have incurred such cost at the date of incurral by that person of such expenditure, which cost must, where those equity shares are acquired as -
  - (A) capital assets, be treated as an expenditure actually incurred and paid by that person in respect of those equity shares for the purposes of paragraph 20 of the Eighth Schedule; and
  - (B) trading stock, be treated as the amount to be taken into account by that person in respect of those equity shares for the purposes of section 11 (a) or 22 (1) or (2); and

- (b) that person becomes entitled, in exchange for that share, to any consideration in addition to any equity shares in the resultant company,

the disposal of that share in the amalgamated company contemplated in paragraph (a) must, to the extent that that person becomes entitled to any equity shares in that resultant company, be deemed to be a disposal in respect of which subsection (6) applies (hereinafter referred to as the qualifying transaction), and to the extent that such person becomes entitled to any other consideration, as contemplated in paragraph (b), be deemed to be a disposal of part of that share in respect of which subsection (6) does not apply (hereinafter referred to as the non-qualifying transaction), in which case the amount to be determined in respect of-

- (i) in the case of a disposal of a share as a capital asset, the base cost of that share at the time of that disposal; or
- (ii) in the case of the disposal of a share as trading stock, the amount taken into account in respect of that share in terms of section 11 (a) or 22 (1) or (2),

that must be attributed to the part of the share deemed to have been disposed of in terms of the non-qualifying transaction, must bear the same ratio to the respective amounts contemplated in subparagraphs (i) or (ii) as the market value of the total consideration not consisting of equity shares in that resultant company bears to the amount of the full consideration in respect of that share.

[Sub-s. (7) amended by s. 52 (1) (e) of Act 45 of 2003.]

(8) Where an amalgamated company disposes of any equity shares in a resultant company that were acquired by that amalgamated company in terms of an amalgamation transaction that was subject to subsection (2) or (3), to a shareholder of that amalgamated company as part of that amalgamation transaction, that amalgamated company must disregard that disposal for purposes of determining its taxable income or assessed loss.

- (b) any shares acquired by a company in terms of that disposal must be deemed not to be a

dividend which accrued to that company for the purposes of section 64B (3).

[Para. (b) substituted by s. 52 (1) (f) of Act 45 of 2003.]

(10) So much of the amount of any other consideration to which a person becomes entitled as contemplated in subsection (7) (b) as does not exceed the amalgamated company's profits and reserves which are available for distribution as contemplated in section 64C (4) (c) must, for purposes of section 64B, be deemed to be a dividend declared and distributed out of profits of that amalgamated company to that person and to have accrued as a dividend to that person on the date on which that person became entitled thereto.

[Sub-s. (10) substituted by s. 52 (1) (g) of Act 45 of 2003.]

(11) Where a person disposed of any equity share in an amalgamated company in terms of a qualifying transaction contemplated in subsection (7) and that person ceases to hold an interest in the resultant company, as contemplated in the definition of 'qualifying interest' in subsection (1), within a period of 18 months after the disposal in terms of that qualifying transaction (whether or not by way of the disposal of any shares in the resultant company), that person must for purposes of section 22 or the Eighth Schedule be deemed to have-

- (a) disposed of all the equity shares in the resultant company acquired in terms of that qualifying transaction that are still held immediately after that person ceased to hold such an interest, for an amount equal to the market value of those equity shares as at the beginning of that period of 18 months; and

[Para. (a) substituted by s. 52 (1) (h) of Act 45 of 2003.]

[Para. (b) substituted by s. 52 (1) (h) of Act 45 of 2003.]

Provided that the provisions of this subsection do not apply where that person ceases to hold a qualifying interest in that resultant company, as contemplated in the definition of 'qualifying interest' in subsection (1), in terms of an intra-group transaction contemplated in section 45, an unbundling transaction contemplated in section 46, an involuntary disposal as contemplated in paragraph 65 of the Eighth Schedule or a disposal that would have constituted an involuntary disposal as contemplated in that paragraph had that asset not been a financial instrument, or as the result of the death of that person.

[Sub-s. (11) amended by s. 52 (1) (h) of Act 45 of 2003.]

(12) The provisions of this section do not apply in respect of the disposal of the assets of an amalgamated company where that amalgamated company immediately prior to that disposal constitutes a domestic financial instrument holding company or a foreign financial instrument holding company.

[Sub-s. (12) substituted by s. 52 (1) (i) of Act 45 of 2003.]

(13) The provisions of this section do not apply where the amalgamated company-

acquires it as a capital asset-

- (i) the transferor company must be deemed to have disposed of that asset for an amount equal to the base cost of that asset on the date of that disposal; and
  - (ii) that transferor company and that transferee company must, for purposes of determining any capital gain or capital loss in respect of a disposal of that asset by that transferee company, be deemed to be one and the same person with respect to-
    - (aa) the date of acquisition of that asset by that transferor company and the amount and date of incurral by that transferor company of any expenditure in respect of that asset allowable in terms of paragraph 20 of the Eighth Schedule; and

  - (ii) that transferor company and that transferee company must, for purposes of determining any taxable income derived by that transferee company from a trade carried on by it, be deemed to be one and the same person with respect to the date of acquisition of that asset by that transferor company and the amount and date of incurral by that transferor company of any cost or expenditure incurred in respect of that asset as contemplated in section 11 (a) or 22 (1) or (2).
- (3) Where a transferor company transfers-
- (a) an asset that constitutes an allowance asset in that transferor company's hands to a transferee company in terms of an intra-group transaction and that transferee company acquires that asset as an allowance asset -
    - (i) no allowance allowed to that transferor company in respect of that asset must be recovered or recouped by that transferor company or included in that transferor company's income for the year of that transfer; and
    - (ii) that transferor company and that transferee company must be deemed to be one and the same person for purposes of determining the amount of any allowance-
      - (aa) to which that transferee company may be entitled in respect of that asset; or
      - (bb) that is to be recovered or recouped by or included in the income of that transferee company in respect of that asset;
  - (b) a contract to a transferee company as part of a disposal of a business as a going concern in terms of an intra-group transaction and that contract imposes an obligation on that transferor company in respect of which an allowance in terms of section 24C was allowable to that transferor company for the year preceding that in which that contract is transferred or would have been allowable to that transferor company for the year of that transfer had that contract not been so transferred-
    - (i) no allowance allowed to that transferor company in respect of that obligation must be included in that transferor company's income for the year of that transfer; and
    - (ii) that transferor company and that transferee company must be deemed to be one and the same person for purposes of determining the amount of any allowance-
      - (aa) to which that transferee company may be entitled in respect of that obligation; or
      - (bb) that is to be included in the income of that transferee company in respect of that obligation.
- (4) (a) This subsection applies in respect of a transferee company which has acquired an asset-
- (i) in terms of a disposal by a transferor company by means of an intra-group transaction; or
  - (ii) in terms of one or more disposals subsequent to the disposal contemplated in subparagraph (i) and no capital gain or capital loss was determined in respect of any of those disposals as a result of the application of this Part.
- (b) Where a transferee company which has acquired an asset as contemplated in paragraph (a)

ceases to form part of any group of companies in relation to the transferor company contemplated in paragraph (a) (i) at any time before the disposal by the transferee company of that asset, that transferee company must-

- (i) except as provided for in subparagraph (ii), be deemed to have disposed of that asset on the day immediately before the date on which that transferee company ceased to form part of that group of companies for an amount equal to the market value of the asset as at that date and as having immediately reacquired that asset for an amount equal to the market value of that asset as at that date; and
- (ii) for purposes of determining a deduction or allowance to which that transferee company may be entitled as contemplated in the definition of 'allowance asset' in section 41, be deemed as having immediately reacquired that asset for an amount equal to the lower of the market value of that asset as at that date or the cost of that asset immediately prior to that disposal;

(5) Where a transferee company disposes of an asset, other than in terms of an involuntary disposal as contemplated in paragraph 65 of the Eighth Schedule or a disposal that would have constituted an involuntary disposal as contemplated in that paragraph had that asset not been a financial instrument, within a period of 18 months after acquiring that asset in terms of an intra-group transaction and-

- (a) that asset constitutes a capital asset in the hands of that transferee company-
  - (i) so much of any a capital gain determined in respect of the disposal of that asset as does not exceed the amount that would have been determined had that asset been disposed of at the beginning of that period of 18 months for proceeds equal to the market value of that asset as at that date, may not be taken into account in determining any net capital gain or assessed capital loss of that transferee company but is subject to paragraph 10 of the Eighth Schedule for purposes of determining an amount of taxable capital gain derived from that gain, which taxable capital gain may not be set off against any assessed loss or balance of assessed loss of that transferee company; or
  - (ii) so much of any capital loss determined in respect of the disposal of that asset as does not exceed that amount that would have been determined had that asset been disposed of at the beginning of that period of 18 months for proceeds equal to the market value of that asset as at that date, must be disregarded in determining the aggregate capital gain or aggregate capital loss of that transferee company for purposes of the Eighth Schedule: Provided that the amount of any capital loss so disregarded may be deducted from the amount of any capital gain determined in respect of the disposal during that year or any subsequent year of assessment of any other asset acquired by that transferee company from the transferor company in terms of an intra-group transaction; or
- (b) that asset constitutes-
  - (i) trading stock in the hands of that transferee company, so much of the amount received or accrued in respect of the disposal of that trading stock as does not exceed the market value of that trading stock as at the beginning of that period of 18 months and so much of the amount taken into account in respect of that trading stock in terms of section 11 (a) or 22 (1) or (2) as is equal to the amount so taken into account in terms of subsection (2) (b); or
  - (ii) an allowance asset in the hands of that transferee company, so much of any allowance in respect of that asset that is recovered or recouped by or included in the income of that transferee company as a result of that disposal as does not exceed the amount that would have been recovered had that asset been disposed of at the beginning of that period of 18 months for an amount equal to the market value of that asset as at that date,

must be deemed to be attributable to a separate trade carried on by that transferee company, the taxable income or assessed loss from which trade may not be set off against any assessed loss or balance of assessed loss of that transferee company.

[Sub-s. (5) amended by s. 53 (1) (c) of Act 45 of 2003.]

(6) No election may be made in terms of paragraph (c) of the definition of 'intra-group transaction'

in subsection (1) in respect of the disposal of any asset where-

- (a) that asset constitutes a financial instrument, unless-
  - (i) that financial instrument constitutes a debt due to that transferor company in respect of goods sold or services rendered by that transferor company in the course of carrying on any business where the amount of that debt is or was included in the income of that transferor company and that debt is transferred as an integral part of a going concern;
  - (ii) the total market value, immediately prior to that disposal, of all financial instruments so transferred (other than financial instruments contemplated in paragraph (i) or (iv)), does not exceed five per cent of the total market value of all assets of any business which is transferred as a going concern;

  - (iv) that financial instrument constitutes an equity share in a controlled group company in relation to that transferor company and that controlled group company is not a domestic financial instrument holding company or foreign financial instrument holding company immediately prior to that disposal: Provided that for purposes of determining whether that controlled group company is a domestic financial instrument holding company or a foreign financial instrument holding company, no regard shall be had to any financial instrument the market value of which is equal to its base cost; or  
[Sub-para. (iv) amended by s. 53 (1) (e) of Act 45 of 2003.]

#### **76 Additional tax in the event of default or omission**

## ■ Cases

(1) A taxpayer shall be required to pay in addition to the tax chargeable in respect of his taxable income-

- (a) if he makes default in rendering a return in respect of any year of assessment, an amount equal to twice the tax chargeable in respect of his taxable income for that year of assessment; or
- (b) if he omits from his return any amount which ought to have been included therein, an amount equal to twice the difference between the tax as calculated in respect of the taxable income returned by him and the tax properly chargeable in respect of his taxable income as determined after including the amount omitted;
- (c) if he makes an incorrect statement in any return rendered by him which results or would if accepted result in the assessment of the normal tax at an amount which is less than the tax properly chargeable, an amount equal to twice the difference between the tax as assessed in accordance with the return made by him and the tax which would have been properly chargeable.

(2) (a) The Commissioner may remit the additional charge imposed under subsection (1) or any part thereof as he may think fit: Provided that, unless he is of the opinion that there were extenuating circumstances, he shall not so remit if he is satisfied that any act or omission of the taxpayer referred to in paragraph (a), (b) or (c) of subsection (1) was done with intent to evade taxation.

(b) In the event of the Commissioner deciding not to remit the whole of the additional charge imposed under subsection (1), his decision shall be subject to objection and appeal.

(c) Notwithstanding the provisions of this subsection, the Commissioner may either before or after an assessment is issued agree with the taxpayer on the amount of the additional charge to be paid, and the amount so agreed upon shall not be subject to any objection and appeal.

(3) The additional amounts of tax for which provision is made under this section shall be chargeable in cases where the taxable income or any part thereof is estimated by the Commissioner in terms of section *seventy-eight* or agreed upon with the taxpayer in terms of the proviso to subsection (2) of the said section as well as in cases where such taxable income or any part thereof is determined from accounts rendered by the taxpayer.

(4) The powers conferred upon the Commissioner by this section shall be in addition to any right conferred upon him by this Act to take proceedings for the recovery of any penalties for evading or avoiding assessment or the payment of tax or attempting to do so.

(5) Any taxpayer who in determining his taxable income as disclosed in his return, deducts, sets off, disregards or excludes any amount the deduction, set-off, disregarding or exclusion whereof is not permissible under the provisions of this Act, or shows as an expenditure or loss any amount which he has not in fact expended or lost, shall be deemed for the purposes of this section to have omitted such amount from his return.

[Sub-s. (5) substituted by s. 24 of Act 5 of 2001.]

(6) Any taxpayer who wilfully fails to disclose in any return made by him any facts which should be disclosed and the disclosure of which would result in the taxation of the taxpayer's taxable income on an amount which is higher than the amount which would be taxable on such return, shall for the purposes of this section be deemed to have omitted from his return the amount by which the former amount exceeds the latter.

[Sub-s. (6) substituted by s. 24 of Act 5 of 2001.]

(7) If in any year of assessment in which the determination of the taxable income of the taxpayer does not result in an assessed loss, he is entitled to the set-off of a balance of assessed loss from the previous year of assessment and such balance is less than it would have been had it been calculated on the basis of the returns rendered by him, he shall for the purposes of this section be deemed to have omitted from his return for the first-mentioned year of assessment an amount equal to the difference between the amount at which such balance is finally determined and the amount at which it would have been determined on the said basis.

### 76A Reportable arrangements

- (1) For purposes of this section-  
'arrangement' means any transaction, operation or scheme;

(3) The company or trust must in so reporting provide to the Commissioner-

- (a) a description of all the steps and key features of the reportable arrangement;
- (b) a list of all the parties to that arrangement;
- (c) copies of all the signed documents relating to that arrangement; and
- (d) any financial model of that arrangement, including any spreadsheet or computer model of the implementation thereof:

Provided that the company or trust may in so reporting, where another company or trust has reported that arrangement to the Commissioner, provide to the Commissioner only the name and address of that other company or trust and the date on which that arrangement was reported.

(4) (a) Where a company or trust fails to report a reportable arrangement as contemplated in subsections (2) and (3), that company or trust shall be deemed to have entered into that arrangement in a manner or by means as contemplated in section 103 (1) (b) (i) or to have created rights or obligations as contemplated in section 103 (1) (b) (ii).

(b) Where a company or trust willfully or recklessly fails to report a reportable arrangement as contemplated in subsections (2) and (3), that company or trust shall also be required to pay, in addition to the tax chargeable in respect of its taxable income, an amount equal to the tax benefits in terms of that arrangement to which that company or trust is entitled: Provided that the Commissioner may remit the additional charge or any part thereof where he or she is satisfied that there were extenuating circumstances.

- (bb) the Commissioner and the taxpayer agree otherwise prior to the expiry of that three year period; or  
[Para. (i) substituted by s. 14 (1) (a) of Act 34 of 2004.]

unless any amount of employees tax which should have been deducted or withheld from such remuneration under the provisions of the said Schedule was not so deducted or withheld or an amount of employees tax was deducted or withheld which was less than the amount of such tax which should have been so deducted or withheld, and the Commissioner is not satisfied that the omission or failure of the employer concerned to deduct or withhold such tax or the full amount of such tax was not due-
    - (A) to any intent by the employer to assist or enable the taxpayer to evade tax or any of his obligations under this Act; or

[Sub-s. (1) substituted by s. 26 (1) (a) of Act 69 of 1975 and amended by s. 23 (1) of Act 36 of 1996 and by s. 14 (1) (b) of Act 34 of 2004.]

- (2) For the purposes of this section any amount referred to in subsection (1) (a) shall include an

[Sub-s. (2) substituted by s. 26 (1) (a) of Act 69 of 1975 and by s. 26 of Act 5 of 2001.]

(2A) For the purposes of paragraph (ii) of the first proviso to subsection (1) the date of payment of any amount referred to in that paragraph shall be deemed to be the date of the official receipt acknowledging the receipt of such amount, and, where more than one such payment was made, the date from which the period of three years referred to in that paragraph shall be reckoned shall be the date of the official receipt acknowledging the latest of such payments.

**Part IIIA****Settlement of Dispute (ss 88A-88H)**

[Part IIIA inserted by s. 74 of Act 45 of 2003.]

**88A Definitions**

For the purposes of this Part-

'dispute' means a disagreement on the interpretation of either the relevant facts involved or the law applicable thereto, or of both the facts and the law;

'settle' means to resolve a dispute by compromising any disputed liability, otherwise than by way of either the Commissioner or the person concerned accepting the other party's interpretation of the facts or the law applicable to those facts, or of both the facts and the law; and

'settlement' shall be construed accordingly.

[S. 88A inserted by s. 74 of Act 45 of 2003.]

**88B Purpose of Part**

(1) The basic principle in law is that it is the duty of the Commissioner to assess and collect taxes, duties, levies, charges and other amounts according to the laws enacted by Parliament and not to forgo any such taxes, duties, levies, charges or other amounts properly chargeable and payable.

(2) Circumstances may, however, require that the strictness and rigidity of this basic principle be tempered where it would be to the best advantage of the state.

(3) The purpose of this Part is to prescribe the circumstances whereunder it would be inappropriate and whereunder it would be appropriate that the basic rule be tempered and for a decision to be taken to settle a dispute.

[S. 88B inserted by s. 74 of Act 45 of 2003.]

**88C Circumstances where inappropriate to settle**

It will be inappropriate and not to the best advantage of the state to settle a dispute, where, in the opinion of the Commissioner-

- (a) the action on the part of the person concerned which relates to the dispute, constitutes intentional tax evasion or fraud and no circumstances contemplated in section 88D exist;
- (b) the settlement would be contrary to the law or a clearly established practice of the Commissioner on the matter, and no exceptional circumstances exist to justify a departure from the law or practice;
- (c) it is in the public interest to have judicial clarification of the issue and the case is appropriate for this purpose;
- (d) the pursuit of the matter through the courts will significantly promote compliance of the

- (e) tax laws and the case is suitable for this purpose; or
- (e) the person concerned has not complied with the provisions of any Act administered by the Commissioner and the Commissioner is of the opinion that the non-compliance is of a serious nature.

[S. 88C inserted by s. 74 of Act 45 of 2003.]

#### **88D Circumstances where appropriate to settle**

The Commissioner may, where it will be to the best advantage of the state, settle a dispute, in whole or in part, on a basis that is fair and equitable to both the person concerned and the Commissioner, having regard to *inter alia*-

- (a) whether that settlement would be in the interest of good management of the tax system, overall fairness and the best use of the Commissioner's resources;
- (b) the cost of litigation in comparison to the possible benefits with reference to-
  - (i) the prospects of success in a court;
  - (ii) the prospects of the collection of the amounts due; and
  - (iii) the costs associated with collection;
- (c) whether there are any-
  - (i) complex factual or quantum issues in contention; or
  - (ii) evidentiary difficulties,
 which are sufficient to make the case problematic in outcome or unsuitable for resolution through the alternative dispute resolution procedures or the courts;
- (d) a situation where a participant or a group of participants in a tax avoidance arrangement has accepted the Commissioner's position in the dispute, in which case the settlement may be negotiated in an appropriate manner required to unwind existing structures and arrangements; or
- (e) whether the settlement of the dispute will promote compliance of the tax laws by the person concerned or a group of taxpayers or a section of the public in a cost-effective way.

[S. 88D inserted by s. 74 of Act 45 of 2003.]

#### **88E Power to settle and disclosure**

(1) A dispute may be settled, as contemplated in section 88D, by the Commissioner personally or any official delegated by the Commissioner for that purpose.

(2) The Commissioner or the relevant delegated official must ensure that he or she does not have, or did not at any stage have, a personal, family, social, business, professional, employment or financial relationship with the person concerned.

[S. 88E inserted by s. 74 of Act 45 of 2003.]

#### **88F Procedure for settlement**

(1) The person concerned should at all times disclose all relevant facts in discussions during the process of settling a dispute.

(2) Any settlement will be conditional upon full disclosure of material facts known to the person concerned at the time of settlement.

(3) All disputes settled in whole or in part, as contemplated in section 88D, must be evidenced by a written agreement between the parties in the format as may be prescribed by the Commissioner and must include details on-

- (a) how each particular issue was settled;
- (b) relevant undertakings by the parties;
- (c) treatment of that issue in future years;
- (d) withdrawal of objections and appeals; and
- (e) arrangements for payment.

(4) The written agreement will represent the final agreed position between the parties and will be in full and final settlement of all or the specified aspects of the dispute in question between the parties.

(5) The Commissioner must, where the dispute is not ultimately settled, explain the further rights of objection and appeal to the person concerned.

(6) Subject to section 88G, the Commissioner and delegated official must adhere to the secrecy provisions with regard to the information relating to the person concerned and may not disclose the terms of any agreement to third parties unless authorised by law or by the person concerned.

(7) The Commissioner must adhere to the terms of the agreement, unless it emerges that material

facts were not disclosed to it or there was fraud or misrepresentation of the facts.

(8) The Commissioner has the right to recover any outstanding amounts involved in the settlement in full where the person concerned fails to adhere to any agreed payment arrangement.

[S. 88F inserted by s. 74 of Act 45 of 2003.]

### **88G Register of settlements and reporting**

- (a) maintain a register of all disputes settled in the circumstances contained in this Part; and  
[Para. (a) substituted by s. 20 of Act 16 of 2004.]
- (b) fully document the process in terms of which each dispute was settled, which document must be signed on behalf of the Commissioner and the person concerned.

(2) The Commissioner must on an annual basis provide to the Auditor-General and to the Minister of Finance a summary of all disputes which were settled in whole or in part during the period of 12 months covered by that summary, which must-

- (a) be in such format which, subject to section 4 (1) (b), does not disclose the identity of the person concerned, and be submitted at such time as may be agreed between the Commissioner and the Auditor-General or Minister of Finance, as the case may be; and
- (b) contain details of the number of disputes settled or part settled, the amount of revenue forgone and estimated amount of savings in costs of litigation, which must be reflected in respect of main classes of taxpayers or sections of the public.

[S. 88G inserted by s. 74 of Act 45 of 2003.]

### **88H Alteration of assessment on settlement**

(1) Where any dispute between the Commissioner and the person aggrieved by an assessment has been settled in terms of this Part, the Commissioner may, notwithstanding anything to the contrary contained in this Act, alter that assessment for purposes of giving effect to that settlement.

(2) Any altered assessment contemplated in subsection (1) shall not be subject to objection and appeal.

[S. 88H inserted by s. 74 of Act 45 of 2003.]

#### **RIGHT OF USE OF MOTOR VEHICLE (para. 7)**

7. (1) For the purposes of this paragraph, 'determined value', in relation to a motor vehicle, means-

acquired by the employer not less than 12 months before the date on which the employee was granted such right of use, there shall be deducted from the amount determined under the foregoing provisions of this subparagraph a depreciation allowance calculated according to the reducing balance method at the rate of 15 per cent for each completed period of 12 months from the date on which the employer first obtained such vehicle or the right of use thereof to the date on which the said employee was first granted the right of use thereof; and

- (b) where such motor vehicle was acquired by the employer from an associated institution in relation to the employer and the employee concerned had, prior to such acquisition, enjoyed the right of use of such motor vehicle, the determined value shall be the determined value as at the date on which the employee was granted the right of use of such motor vehicle for the first time.

[Sub-para. (1A) inserted by s. 32 (b) of Act 21 of 1994 and deleted by s. 47 (1) (b) of Act 21 of 1995.]

(2) Where an employee has been granted the right to use any motor vehicle as contemplated in paragraph 2 (b), the cash equivalent of the value of the taxable benefit shall be so much of the value of the private use of such vehicle (as determined under this paragraph in respect of the period of use) as exceeds any consideration given by the employee to the employer for the use of such vehicle during such period: Provided that where the employee receives an allowance or advance contemplated in section 8 (1) (b), such value of the private use of such vehicle shall not be reduced by any such consideration.

[Sub-para. (2) amended by s. 47 (1) (c) of Act 21 of 1995.]

(3) (a) Where an employer's rights and obligations under a lease in respect of a motor vehicle are transferred to his employee the employer shall for the purposes of this Schedule be deemed to have granted the employee the right to use such vehicle for the remainder of the period of the lease.

(b) In such case-

- (i) any rentals becoming payable by the employee under the lease shall be deemed to be a consideration payable by him for the said right; and
- (ii) the determined value of the vehicle shall be deemed to be an amount determined in accordance with the provisions of subparagraph (1) (b);

(4) Subject to the provisions of subparagraphs (9) and (10), the value to be placed on the private use of such vehicle shall be determined for each month or part of a month during which the employee was entitled to use the vehicle for private purposes (including travelling between the employee's place of residence and his place of employment) and the said value shall-

- (a) as respects each such month, be an amount equal to 1,8 per cent of the determined value of such motor vehicle: Provided that-
- (i) where more than one motor vehicle is made available by an employer to a particular employee at the same time and the provisions of subparagraph (6) are not applicable in the case of such vehicles, the said value shall be an amount equal to 1,8 per cent of the determined value of the motor vehicle having the highest determined value and 4 per cent of the determined value of every other such motor vehicle; and
- (ii) where the employee has in addition to the right to use a vehicle also been granted an allowance in respect of transport expenses in respect of another vehicle for the same period (excluding any allowance or advance contemplated in section 8 (1) (b) (iii)), such vehicle shall be deemed to be a vehicle in respect of which the rate of 4 per cent shall apply for the purposes of subitem (i):

Provided further that where the employee-

- (i) bears the cost of all fuel used for the purposes of the private use of the vehicle (including travelling between the employee's place of residence and his place of employment), the value of private use for each such month as determined in accordance with the foregoing provisions of this subparagraph shall be reduced by an amount of R120;
- (ii) bears the full cost of maintaining the vehicle (including the cost of repairs, servicing, lubrication and tyres), the value of private use for each such month as determined in accordance with the foregoing provisions of this subparagraph shall

be reduced by an amount of R85; and

[Item (a) amended by s. 30 of Act 96 of 1985, substituted by s. 10 (1) (a) of Act 108 of 1986, amended by GN 956 of 1988 and s. 44 (1) of Act 90 of 1988, substituted by GN R715 of 1989, by s. 25 (1) of Act 70 of 1989, by GN R764 of 29 March 1990, by s. 58 (1) of Act 101 of 1990 and by s. 50 (1) (c) of Act 129 of 1991 and amended by s. 47 (1) (d) of Act 21 of 1995 and by s. 50 (1) of Act 28 of 1997.]

(b) as respects any such part of a month, be an amount which bears to the appropriate amount determined in accordance with item (a) for a month the same ratio as the number of days in such part of a month bears to the number of days in the month in which such part falls.

(5) Subject to the provisions of subparagraph (7), no reduction in the value determined under subparagraph (4) shall be made by reason of the fact that the vehicle in question was during any period for any reason temporarily not used by the employee for private purposes.

(6) Where more than one motor vehicle is made available by an employer to a particular employee at the same time and the Commissioner is satisfied that each such vehicle was used by the employee during the year of assessment primarily for business purposes, the value to be placed on the private use of all the said vehicles shall be deemed to be the value of the private use of the vehicle having the highest value of private use or such other vehicle as the Commissioner may direct: Provided that the preceding provisions of this subparagraph shall not apply where the provisions of subparagraph (7) or (8) are applied.

[Sub-para. (6) substituted by s. 10 (1) (b) of Act 108 of 1986.]

(7) Where it is proved to the satisfaction of the Commissioner that accurate records of distances travelled in such vehicle for private purposes (including travelling between the employee's place of residence and his place of employment) are kept, the Commissioner may upon the assessment of the employee's liability for normal tax reduce the value placed on the private or domestic use of the vehicle to such amount as appears to the Commissioner to be fair and reasonable in the circumstances of the case if the total distance so travelled during the year of assessment was less than 10 000 kilometres or, where the period in that year during which the vehicle was available for the employee's use was less than 12 months, a distance which bears to 10 000 kilometres the same ratio as the said period bears to 12 months.

(8) If-

- (a) the cash equivalent of the value of a taxable benefit in respect of a motor vehicle falls to be included in the income of an employee;
- (b) the employee was required by his employer to bear any portion of the cost of the licence for the vehicle, the insurance thereof, the fuel used therein or the maintenance thereof;
- (c) no compensation in the form of an allowance or reimbursement was payable by the employer to the employee in respect of the expenditure borne by the employee in respect of the said cost; and
- (d) where the cost of fuel for or of maintenance of the vehicle was borne by the employee, the value determined under subparagraph (4) included an amount in respect of fuel or the maintenance thereof, as the case may be,

the said cash equivalent shall, on assessment of the employee's liability for normal tax, be reduced by the amount actually incurred by the employee during the relevant year of assessment in respect of the said cost and any such reduction shall, in so far as the amount thereof includes any amount which would otherwise qualify for deduction from the employee's income, be deemed to be in lieu of such deduction in respect of fuel or maintenance, as the case may be.

(9) Any decision of the Commissioner in the exercise of his discretion under subparagraph (6) or (7) shall be subject to objection and appeal.

(10) For the purposes of this paragraph the private use by an employee of a motor vehicle shall be deemed to have no value, if-

- (a) (i) the vehicle is available to and is in fact used by employees of the employer in general;

- (iii) the vehicle is not normally kept at or near the residence of the employee concerned when not in use outside of business hours; or

(2) The value to be placed on such meal, refreshment or voucher shall be the cost to the employer of such meal, refreshment or voucher.

(3) No value shall be placed under this paragraph on-

## 21 Limitation of expenditure

(1) Where, but for the provisions of this subparagraph, an amount qualifies or has qualified as an allowable expenditure or may otherwise be taken into account in determining a capital gain or capital loss under more than one provision of this Schedule, that amount or portion thereof, shall not be allowed as expenditure or be taken into account more than once in determining that capital gain or capital loss.

(2) No expenditure shall be allowed under paragraph 20 (1) (a) or (e) where any amount of that expenditure is allowable under any other provision of this Schedule, despite that that other provision imposes any limitation on the amount of the expenditure.

the valuation date market value of that share so disposed of, as determined in subparagraph (1) (a), must be increased or decreased, as the case may be, by an amount which bears to that market value the same ratio as the deviation bears to that ruling price.

[Sub-s. (2) amended by s. 81 (1) (d) of Act 60 of 2001.]

(2A) Where-

[Sub-para. (3) added by s. 77 (1) (d) of Act 74 of 2002.]

(4) The time-apportionment base cost of a pre-valuation date asset referred to in subparagraph (3) is determined in accordance with the formulae-

$$Y = B + \frac{[(P_1 - B_1) \times N]}{T + N},$$

and

$$P_1 = \frac{R_1 \times B_1}{(A_1 + B_1)}$$

(3) Subject to subparagraph (3A), the base cost of identical assets must be determined by using one of the following methods-

- (a) specific identification; or
- (b) the first in first out method

[Sub-para. (3) amended by s. 28 (1) of Act 19 of 2001 and substituted by s. 84 (1) (b) of Act 60 of 2001.]

(3A) Despite the provisions of subparagraph (3), the weighted average method of determining base cost of assets, as contemplated in subparagraph (4), may be used for identical assets which-

- (a) from the date of acquisition to the date of disposal constituted assets contemplated in paragraph 31 (1) (a), other than instruments contemplated in item (d);

[Item (a) substituted by s. 79 (1) (a) of Act 74 of 2002.]

[Item (d) inserted by s. 79 (1) (d) of Act 74 of 2002.]

and where a person uses the weighted average method for any identical asset contemplated in item (a), (b), (c) or (d), that method must be used for all identical assets, contemplated in that item, held by that person.

[Sub-para. (3A) inserted by s. 84 (1) (c) of Act 60 of 2001 and amended by s. 79 (1) (e) of Act 74 of 2002.]

(4) In applying the weighted average method of determining base cost-

- (a) the weighted average base cost, on valuation date, of identical assets acquired and not disposed of before valuation date is equal to the valuation date value of those identical assets, as contemplated in paragraph 28, or the market value of those identical assets, as contemplated in paragraph 29, divided by the number of those identical assets; and
- (b) the weighted average base cost, thereafter, of identical assets must be calculated by-
  - (i) adding expenditure allowable in terms of paragraph 20 in respect of identical assets to the base cost of identical assets acquired and not disposed of before that

- (ii) expenditure was incurred; and dividing that amount by the number of identical assets acquired and not disposed of after that expenditure was incurred.

- (a) the proportion of the expenditure attributable to the part disposed of is an amount which bears to the expenditure allowable in terms of paragraph 20 in respect of the entire asset the same proportion as the market value of the part disposed of bears to the market value of the entire asset immediately prior to that disposal; and
- (b) the market value on valuation date attributable to the part disposed of is an amount which bears to the market value adopted or determined in terms of paragraph 29 (4) in respect of the entire asset the same proportion as the market value of the part disposed of bears to the market value of the entire asset immediately prior to that disposal.

(2) Subject to subparagraph (4), where a part of the expenditure allowable in terms of paragraph 20 or the market value adopted or determined in terms of paragraph 29 (4) in respect of an asset can be directly attributed to the part of the asset that is disposed of or retained then the apportionment contemplated in subparagraph (1) does not apply in respect of that part of that expenditure or market value as the case may be.

- (a) the granting of an option by that person in respect of an asset;

(5) Where a person has adopted the 20 per cent of proceeds method contemplated in paragraph 26 (1) (b) in determining the valuation date value of a part of an asset that has been disposed of, that person must adopt that method in determining the valuation date value of any remaining part of that asset.

### **34 Debt substitution**

Where a person reduces or discharges a debt owed by that person to a creditor by disposing of an asset to that creditor, that asset must be treated as having been acquired by the creditor at a cost equal to the market value of that asset at the time of that disposal, which cost must be treated as an amount of expenditure actually incurred and paid for the purposes of paragraph 20 (1) (a).

'an interest' means-

- (a) any real or statutory right; or

but excluding-

- (i) a right under a mortgage bond; or
- (ii) a right or interest of whatever nature in a trust or an asset of a trust, other than a right of a lessee who is not a connected person in relation to that trust;  
[Definition of 'an interest' amended by s. 92 (1) (a) of Act 60 of 2001.]

'primary residence' means a residence-

- (a) in which a natural person or a special trust holds an interest; and
  - (b) which that person or a beneficiary of that special trust or a spouse of that person or beneficiary-
    - (i) ordinarily resides or resided in as his or her main residence; and
    - (ii) uses or used mainly for domestic purposes;
- [Para. (b) amended by s. 92 (1) (b) of Act 60 of 2001.]

'residence' means any structure, including a boat, caravan or mobile home, which is used as a place of residence by a natural person, together with any appurtenance belonging thereto and enjoyed therewith.

**45 General principle**

**48 Disposal and acquisition of primary residence**

A natural person or a beneficiary of a special trust must for purposes of paragraph 47 be treated as

having been ordinarily resident in a residence for a continuous period (not exceeding two years), if that person did not reside in that residence during that period for any of the following reasons-
