SCHEDULE 3

1 Standards of accounting to be followed for the purposes of Chapter 7 of the Act
[Section 95 (1)(d)]

When granting an exemption in terms of section 55 from full compliance with Chapter 7 of the Act to a co-operative, the registrar may, in his or her discretion –

(1) authorise the appointment as auditor of a co-operative of an organisation which was established for the purpose of rendering audit services to co-operatives;

OR

(2) authorise the appointment as auditor of a co-operative of a person whose training qualifies him or her to carry out the audit of the co-operative;

OR

(3) require the affairs of the co-operative to be audited by a person other than an auditor but who is a member of a profession whose members have been authorised to act as accounting officers for close corporations in terms of the Close Corporations Act, 1984 (Act 69 of 1984). Members of the following professions have so been authorised:

1. The Institute of Administration and Commerce Of Southern Africa (IAC)
2. The Chartered Institute of Management Accountants (CIMA)
3. The South African Institute of Professional Accountants (SAIPA – formerly CFA and CPA)
4. Associate General Accountants of the South African Institute of Chartered Accountants (AGA)
5. The Southern African Institute of Chartered Secretaries and Administrators (CIS)
6. The Chartered Association of Certified Accountants (ACCA)
7. The South African Institute for Business Accountants (SAIBA)

Annual financial statements prepared and audited under an exemption contemplated in section 55 of the Act must be lodged with the registrar under cover of **Form** CR 7.

2. Norms and standards to which co-operative development support programmes must conform [Section 95(1) (j)]

The support programmes for co-operatives must specifically target emerging cooperatives that consist of black persons, women, youth, disabled persons and persons in the rural areas and must promote equity and participation by co-operative members. All government agencies and Departments must design and implement support programmes that will comply with these norms in order to account to **the dti** and Parliament in terms of programme impact on the co-operatives sector.

3. Administration of forms of co-operatives [Section 95(2)]

Co-operatives are sectoral in nature and therefore, where applicable, must be aligned and linked to a sectoral or line function Department, for an example housing, financial, agricultural, workers, etc. The relevant line function department with the assistance of the central coordinating department, **the dti**, must ensure that relevant support programmes are designed and implemented to assist with accountability to Parliament by **the dti**.

4. Effective coordination across government [Section] 2(i)

The **dti** is the central coordinating department through its Co-operatives Development Unit within the Enterprise and Industry Development Division, which must facilitate and ensure effective coordination across government and the private sector. There must be a reporting mechanism to Parliament through structures such as the Co-operatives Advisory Board, Provincial Coordinating and the Interdepartmental Committees relating to areas of policy change and review, support programme design and implementation.
